ROSEHILL COLLEGE

MĀ TĀTAU E HANGAHANGA AI TE TAIAO HIRANGA

YEARBOOK 2024

JESSICA STEVENSON: 13PHO KED

YEARBOOK ACKNOWLEDGEMENTS
CO-ORDINATOR: Jessie Peneamena
EDITORIAL SUPERVISOR: Melissa Powell
DESIGN & PRINT: RHC Media Department
Many thanks to all the staff and students who contributed to the content and production of this year's magazine.

PRINCIPAL'S REPORT

DAVIDA SUASUA

"Together we create an environment for personal excellence"

What an extraordinary year 2024 has been! This year, Rosehill College has been a vibrant hub of learning, growth, and unforgettable memories. As we reflect on the highlights, from sports and cultural events to performing arts and academic achievements, it's clear that this has been a year filled with excellence and inspiration.

Our senior leaders have stood out as shining examples, guiding their peers with confidence and determination. They have embodied the values of leadership and resilience, helping to shape Rosehill College into a supportive and dynamic community. As a result, we've witnessed students stepping out of their comfort zones, trying new things, and excelling in various fields—whether in classrooms, on the stage, in public settings or on the sports field.

To the students, your hard work, dedication, and spirit of camaraderie have made this year one to remember. Whether you found joy in making new friends, learning about our diverse cultures, or striving for academic success, 2024 will be a year etched in your hearts.

For those who will not be returning in 2025, stay true to our school values—Hihiritanga (Strive), Rangatiratanga (Reflect), Whanaungatanga (Respect), and Manaakitanga (Connect)—

as these will guide you in making the right choices in life. These values, which have helped you grow during your time here, will continue to serve you well as you move forward.

This yearbook serves as a snapshot of those moments—a reflection of the friendships made, the lessons learned, and the challenges overcome. May it remind you of the good times and inspire you to continue striving for excellence in all you do.

BOARD REPORT 2024

DR DEANNA JOHNSTON

Presiding Member

The Rosehill College Board, elected by our community, serves in a governance role. The Board is responsible for the school's overall performance, with a key focus on student achievement.

As we reflect on 2024, we have witnessed remarkable achievements. We recognise and appreciate the many individuals within our community who have contributed to the success and wellbeing of our students.

We congratulate Principal Mrs. Davida Suasua, the Senior Leadership Team, teachers, and support staff for their very capable leadership and collective efforts. Staff professional dedication to the school's strategic direction have been crucial in providing the best possible experiences and achieving excellent outcomes for all students.

I thank the current Board, including our Student Members, for their commitment and the expertise they bring to their roles. Property maintenance and upgrades have remained a priority. We commend Senior Leadership and personnel, committed to maintaining a conducive learning environment. Through prudent financial management, we have continued to resource school operations to ensure we meet our students' educational needs.

We thank Dr. Ian Alexander, our former Presiding Member, for his significant contributions to governance over the past 25 years. As we approach the election of a new Board next year, I wish the incoming Members all the best in their efforts to continue nurturing a culture of excellence.

We commend our senior graduates for completing their secondary education. We believe they will carry forward fond memories of their experiences, the friendships formed, and new confidence gained. We wish them every success in their future pathways.

Looking ahead to 2025, the Board is confident that Rosehill College will continue to nurture a culture of excellence, so that all students can achieve their aspirations. We wish all students, their families, and staff a peaceful holiday season.

HEAD STUDENTS

SAMUEL FORBES

Stepping into the spotlight as a Head Student and joining the wider leadership team of Rosehill was a daunting experience. Having never held a leadership role before, I embraced the opportunities the new year presented. Throughout 2024, our Head Student team worked to increase school-wide involvement in a range of activities. I led by example, participating in events like the Swim Carnival and Colour Run, while also heading the Arts Committee, contributing to Arts Week and the House murals.

Leadership, I've learned, is not something easily defined by one phrase. It takes many forms, and part of being a strong leader is knowing your own limits. Leading the Arts Committee challenged me to recognise when it was time to let others take the lead, which proved valuable in different situations. This year, I encouraged other leaders to step up and take charge, which fostered a collaborative spirit.

As we look to the future, I urge all school, house, and cultural leaders to embrace their struggles and mistakes. Sharing them with others can reduce stress and open the door for support. Committees are a great way to let others shine, and knowing when to lead and when to step aside is essential in building effective leadership. Mistakes offer opportunities to grow, so own them. Finally, to the future leaders of 2025, I look forward to watching you thrive and learn in your roles.

TEINA STEPHENS

It has been an honour to serve as Head Girl at Rosehill College this year. Witnessing the growth and success of our school community has been incredibly rewarding. Together, we've faced challenges and celebrated achievements that have inspired us all.

My goal was to be a positive role model for younger students, showing them that with hard work and dedication, anything is possible. By stepping into the role of Head Girl, I hoped to inspire others to believe in their own potential and to strive for their highest aspirations. I wanted to show students that even if they don't see themselves as natural leaders, they can still make a significant impact on our school community. Collaborating with the other Head Students, school leaders, and teachers, I had the privilege of organising events that enhanced school spirit and created a more enjoyable learning environment. These included our first-ever Swim Carnival, Mana activities, the CanTeen Colour Run, lunchtime sports, and many smaller events. By creating opportunities for students to connect and celebrate, I hoped to foster a positive and supportive school culture.

One of my proudest moments was when I encouraged a shy Year 9 student to join our Pink Shirt Day lunchtime sport. She initially hesitated, but I played on her team, and by the end, she had made a new friend and thanked me for helping her get involved. This experience reminded me that even small acts of kindness can make a big difference.

Being Head Girl has pushed me out of my comfort zone in ways I never expected, from attending a Warriors PT leadership session to hosting an after-match function for an international rugby team. These opportunities challenged me, but they also showed me that I was more capable than I thought. My confidence has soared as a result, and I've learned that stepping up is worth the effort.

As I reflect on my time as Head Girl, I am deeply grateful for the experiences and lessons I've learned. It has been a privilege to contribute to our school's success. To future Head Girls: be passionate, dedicated, and open-minded. Remember, your role is to inspire, support, and advocate for your peers. By doing so, you'll create a lasting legacy that benefits generations to come.

OSCAR HAYHOW

On my first day of Year 9, I remember looking up to the school leaders at the time and feeling nervous, but also excited for what was ahead. I blinked, and all of a sudden, I'm sitting down writing my farewell to Rosehill College as a Head Student.

My 5 year tenure at Rosehill College has been nothing short of extraordinary, and my expectations were exceeded far beyond anything I could've imagined. 2024 has been no exception! From Science competitions and week long PEO trips, to Saturdays on the rugby field, the endless abundance of opportunity at Rosehill has undeniably shaped who I am today.

Having the honour of standing before you all as a Head Student this year has been a highlight of my life. I set out this year to help rekindle our school pride. As the chair of the Community Committee, organising the inaugural Colour Run for CanTeen and the 40-Hour Challenge as well as Pink Shirt Day and Daffodil Day have been huge steps towards my goal. Seeing Rosehill College begin to return to the glory I remember from Year 9 has been so rewarding. Thank you to the Community Committee, Head Students, Mr Rangi, Mrs Powell, and most of all, you guys! Thank you all for reminding me I wasn't alone; without everyone's help, we wouldn't have had the success we did.

Looking back, I feel immense pride as the time to say ka kite draws near. It's been a roller coaster of a time fuelled by the thrill of opportunity!

As such, I've had plenty of ups and my fair share of downs, but a roller coaster would be pretty boring if it only went up. So, embrace the changes, challenges, and failures on your journey because they are what allow you to grow, making it all worth the ride in the end.

ZANTHIE THOMAS

Through this leadership journey, I've learned so much about myself and the world around me. I'm incredibly grateful for the opportunity to grow and understand what leadership truly means. I want to thank the leaders who worked alongside me and helped make this year memorable. It's impossible to mention everyone who pushed me to be who I am today – staff, students, and especially my family, who've been my biggest supporters. This year, I've learned the power of encouragement and support, and I thank all the staff for their patience and dedication.

Starting as Head Student, I had no idea what to expect, but I've realised that a title and badge don't define you – your character does. From both triumphs and disappointments, I've learned to always be the best version of myself. Leaving Rosehill will be bittersweet, but I'll cherish the memories. Over these five years of ups and downs, I've truly found myself, and Rosehill will always have a place in my heart.

This year wouldn't have been the same without the amazing Head Student team. Thank you, Sam, for always being someone to talk to, Teina, for being an inspiration and Oscar, for lightening every situation. You've all been fantastic to work with. We have our lives ahead – so don't sweat the small stuff. Give your all, and remember, we'll never be this young again, so why wait?

STUDENT REPRESENTATIVE

SHRESHAA GUHAN

"If you want opportunities many people don't get, you need to make choices many people don't make." This quote perfectly captures my journey at Rosehill. Over the past five years, I've learned that growth comes from embracing challenges that others might avoid and making decisions that push you beyond your limits.

Becoming the Student Representative was one of those choices. It wasn't easy, but it was the one that allowed me to truly make a difference. Representing my peers and ensuring our voices are heard in key decisions has been both an honour and a responsibility. This role taught me the power of stepping up and the impact that one person can have when they choose to lead.

Rosehill has been a place where I've discovered the strength that comes from making bold choices. Each decision, each step, has been a part of a journey that has shaped me into the person I am today. I've learned that if you want to achieve something extraordinary, you have to be willing to make the tough choices that others might shy away from. It's those choices that open doors to opportunities and create a future full of potential.

As I look back, I'm filled with gratitude for the experiences and the lessons that Rosehill has given me. I've been shaped by the challenges, inspired by the people around me, and driven by the belief that we each have the power to create our own opportunities. To anyone reading this, remember: the choices you make today will define the opportunities you have tomorrow. So, choose wisely, live boldly, and never stop believing in what you can achieve.

STUDENT COUNCIL

BACK ROW: Mauy Siphanonneua, Dalina Bond, Arpit Behal
2ND ROW: Garuth Athukorala, Catherine Vea, Henry Wilson, Mrs M Powell (Deputy Principal)
FRONT ROW: Jasmeet Kaur, Mackenzie Ha, Shreshaa Guhan, Shaima Qadeer, Nikki Kaur

The Student Council's journey this year began with our student representative, Shreshaa Guhan, and Mrs. Powell carefully interviewing and selecting students to join. By the end of Term 1, we had enlisted 10 students who were eager to make a difference at Rosehill College. In Term 2, the Council took on the important task of gathering feedback from Manaakitia Mai classes across the school. We listened to students concerns, ideas and suggestions, ensuring that every voice was heard.
Shreshaa then took these insights to the principal, voicing the collective concerns and aspirations of our school community. Term 3 was a busy time for the Council as we dedicated the entire term to planning the biggest event of the season - the Rosehill College Gala. This event was a huge success, bringing our community together in ways we hadn't seen before. Parents, students, local schools, and businesses all came together. The day was filled with live music, captivating performances, and a vibrant atmosphere that truly reflected the spirit of Rosehill.

We extend our heartfelt thanks to Student Council members for their dedication this year, with special gratitude to Shreshaa Guhan for her leadership. Deep appreciation to Mrs. Powell, Mrs. Suasua, Mr. Sewak and Ms. Carolissen for their unwavering support and guidance, which made this year's successes possible.

Looking back, it's clear that this year has been one of growth, collaboration, and achievement for the Council. We are proud of what we've accomplished and excited to see how our efforts will continue to impact our school community.

MĀORI LEADERS

A'IZEL WITEHIRA *and* NAPHTAHLI WALKER

A'izel Witehira, Whaea Pare Matthews, Naphtahli Walker

I recall feeling both nervous and excited. Excited for the newcomers, both students and staff, and their journey at Pukeroihi (Rosehill College), and nervous for myself as a Māori Leader facing new challenges and opportunities. Rehekō! Let's go!

Mānawatia ā Matariki: We celebrated Māori New Year by creating a Kahoot quiz for kaimahi (staff) to test their Matariki knowledge. We facilitated the quiz while staff enjoyed treats and were rewarded with prizes for correct answers. We collaborated with Daz, our social media content creator, to engage tauira (students) with a Question of the Day about Matariki, which was a great success. We organised a prize for the winner as well. Mānawa maiea te Mātahi o te Tau.

It's always an honour to host guests at Pukeroihi. Our rōpū kapa haka had the privilege of performing a pōhiri for this year's international students. These traditions are important to our culture and we love sharing them with others.

It has been a busy and fun year working on various kaupapa, projects and initiatives with fellow school leaders. We've assisted Whaea Tania in serving free lunches, contributed to school fundraisers by selling seafood chowder and fried bread, supported end-of-term sports days, and served as tuākana (mentors) in kaupapa Māori spaces like school-wide haka practices.

PASIFIKA LEADERS

LILE 'OFA FISILAU *and* SOSEFO MANASE TONGA

Lile 'Ofa Fisilau, Mr J Good, Sosefo Manase Tonga

Mālō e lelei, talofa lava, kia orana, bula vinaka, and warm pacific greetings to you all. During this busy year, we celebrated the diversity of our beautiful Pacific cultures through the Rotuma, Samoan, Kiribati, and Cook Island language weeks. We also had some teachers involved in celebrating our cultural weeks by participating in the quizzes created by our Pasifika Committee. The cultural weeks were filled with colour as the students dressed up in their cultural attire, and not to worry… many photos were taken. Pride filled our school as students performed different cultural dances with the music echoing through the hall during lunch time. For Tongan Language Week we had many fun things planned. Students and teachers were immersed within the Tongan culture and had the chance to try an authentic Tongan beverage. Our main event for the year was our Fiafia night. It was a cheerful night with food stalls and cultural performances to enjoy. Overall, our Pasifika Committee has made some inroads into valuing our diverse Pacific cultures by celebrating language weeks, an exciting Fiafia night in Term 3, and fundraising for the prospect of our school performing at Polyfest in the future. We enjoyed being your Pasifika leaders for 2024, and hope that the Pasifika Committee will grow and learn from this year.

Mālō Aupito, Faafetai lava, Meitaki Maata, Vinaka Vakalevu and thank you to all.

ACADEMIC LEADERS

JAPLEEN KAUR *and* DHANANJAY RAI

Dhananjay Rai, Mrs M Powell (Deputy Principal), Japleen Kaur

Being academic leaders this year has been an incredibly rewarding experience. One of the highlights of this role was helping to organise the Library Quiz, which brought students together in a fun and engaging way to test their knowledge while encouraging a love for learning. It was an excellent opportunity to encourage their learning in a fun and different way and to see everyone participating. Another exciting project was starting the THINK group, designed to connect like-minded peers passionate about exploring ideas and seeking learning opportunities beyond the classroom. Though there's still work to be done, the group's potential is truly inspiring. As academic leaders, we also focused on recognising and encouraging the achievements of our gifted learners, believing it is essential to honour the hard work and dedication that fuels academic success. Ultimately, being academic leaders is about more than our individual achievements. It is about building a vibrant community of curious minds eager to learn and grow together. We are proud to have been part of this journey and look forward to what the future holds.

ARTS COMMITTEE

The 2024 Arts Committee was full of vibrant and dedicated students that all worked together to leave behind our own gifts and memories, in the hopes of inspiring and sowing the seeds for future committee members and artistic students to pursue new ideas and leave their own unique mark on Rosehill College.

This year we decided that we wanted to go out with a bang by creating something new that we could give back to the school after all the great years we've spent at Rosehill. This was the individual house murals we painted with the collective effort of some of our students from each of the houses. We ran Arts Week this year and showcased things like pavement art and wearable arts gaining further recognition for the Arts Committee in Rosehill.

BACK ROW: Marnie Todd, Eva Wilson, Tasha Brown, Rayan Chand, Shreshaa Guhan
2ND ROW: Mateo Te Tamaki, Zaqeo Logmao, Rania Dhillon, Maia Bamfield, Dayle Anderson, Mr J McMillan (Teacher)
FRONT ROW: Justin Aranda, James Buchanan, Sam Forbes, Tessa Ulae, Lucy Knapp
Absent: Ms J Morris (Librarian), Ben Frost, Indy Pema

Our committee started as a small group of leaders but grew as the year went on to involve students of all year levels and artistic abilities. Everyone contributed something unique that helped the committee to achieve our goals. We are super proud of our peers and all we have accomplished and hope that the future holds great things for the Arts Committee to come.

ENVIRONMENTAL COMMITTEE

KATELYN RINGROSE

This past year, our Environmental Committee has made great progress in supporting sustainability and caring for our environment. One major achievement was recycling soft plastics collected from the staff room, which helped to reduce waste and supported better recycling practices.

We also started a new composting project. Instead of throwing food scraps away, we fed them to worms to create nutrient-rich compost. This compost will improve our garden's soil and help it grow better plants in the future.

Speaking of the garden, we spent time weeding it to get it ready for next year. By removing weeds and preparing the soil, we're setting up for a successful garden where we plan to grow fruits and vegetables to reduce the school's food miles.

Our committee also took part in several school trips focused on environmental action. We planted trees at a local pony club, participated in a beach clean up, and did more tree planting on Motuihe Island. These activities not only helped improve natural areas but also encouraged everyone involved to care more about the environment.

Overall, our committee has worked hard to promote sustainability and environmental care. We're proud of what we've accomplished this year and are excited to continue our efforts in the future.

EVENTS COMMITTEE

PAVANI KUMAR

BACK ROW: Rohan Ram, Josh Boxall, Mary Marikit, Miss S Oliver (Teacher)
FRONT ROW: Lindsay Chinyai, Ridhi Parameswaran, Zanthie Thomas, Bella Sing, Pavani Kumar

The Events Committee has always had the privilege of planning and hosting some of the most memorable milestones for Rosehill College. 2024 was no different, especially with the most anticipated annual event – the School Ball. Working relentlessly, the committee's incredible teamwork allowed Year 12s and 13s to enjoy a magical 'Starry Night' themed ball. From ticket design to catering, a DJ with a killer playlist, White Door Photography, and starry decorations, the ball was a night filled with laughter and sensational dance moves at the Ellerslie Events Centre. The highlight was the dance floor, with photo booths nearly empty once the night picked up. The evening was all about the seniors, whose stunning dresses and suits fit perfectly into the magical atmosphere. With the first committee achievement complete and half the school year over, we looked toward the rest of the year. Snazzy leavers gear was ordered, and a bittersweet, nostalgic Leavers Ceremony celebrated Year 13's final year. Watching 2024 fly by has been unforgettable, creating memories that brought students together. This year wouldn't have been possible without our dedicated members, who spent countless break times and after-school hours planning every detail – thank you for all your hard work.

SPORTS COMMITTEE

TEINA STEPHENS

This year was fantastic for Rosehill College! As the Sports Committee, our goal was to engage both students and teachers in sporting events that would bring joy and excitement to our school. Our highlight was Rosehill's first-ever Swimming Carnival, featuring various stroke races and fun inter-house activities like chicken fights, tug of war, push-up competitions, and everyone's favourite, the manu competition. Throughout the day, we kept track of house points, building anticipation for the announcement of the Carnival winners. After a day filled with excitement, Kahurangi emerged victorious with an impressive 345 points. Building on this momentum, we planned additional activities that would continue the joy among our students and teachers. We organised lunchtime sports events, including multi-sports, basketball, and volleyball. On Pink Shirt Day, we hosted a teachers vs. students multi-sports afternoon, which was a hit! This event provided a wonderful opportunity for students and teachers to bond in a competitive setting, strengthening their connections outside the classroom. Overall, our Sports Committee has made a significant impact at Rosehill College, and we hope to set a positive example for future leaders.

BACK ROW: Enzo Mowday, John Waters, Xavier Leaupepe, Ethan Fletcher
FRONT ROW: Phoenix Rowe, Jessica Andrews, Teina Stephens, Phoenix Timothy, Hiroyuki Kobayashi
Absent: Emilee Timothy, Sosefo Manase Tonga

INDIAN GROUP

SUDITI

The Indian Group at Rosehill College has been actively engaging the school community through various cultural events. In the last term, they organised a food sale fundraiser, which successfully showcased a variety of traditional Indian dishes.

This initiative not only raised funds for Fiafia Night but also promoted cultural awareness among students and staff. Additionally, the group participated in a vibrant dance performance during halftime at the Stars vs. Tactix netball game held at Bruce Pulman Park. This performance was a highlight of the event, allowing the students to display their talents and celebrate their heritage in front of a larger audience. The combination of the food fundraiser and the dance performance reflects the group's commitment to fostering cultural exchange and community spirit within Rosehill College. Through these activities, they have contributed to a more inclusive school environment, encouraging participation and appreciation of diverse cultures among students.

BACK ROW: Samreet Kaur, Paramjit Kaur, Kiranjot Kaur, Harleen Walia, Nadar Kaur
FRONT ROW: Narainkaran Singh, Jashan Singh

MIT TRADES ACADEMY

SHERYL MOWDAY

MITTA is a Trades Academy provider that works in partnership with secondary schools by offering vocational courses that help prepare students for further education or employment.

This year we have had 13 Year 12 students attending courses in Automotive, Building and Landscaping, Electrical, Engineering and Hairdressing.

Students studied at MIT 1 day a week at either Tech Park in Manukau or at the Otara Campus. This is a big commitment for the students as they also have to keep up with their school work and study while only attending school 4 days per week.

Students gained NCEA Level 2 credits throughout the course by successfully completing both theory and practical assessments in purpose built learning environments.

Automotive students dismantled and reassembled engines, while Building and Landscaping students made a range of outdoor furniture and a deck along with developing masonry and paving skills.

For students looking to go into a trade after completing their schooling, this is a great opportunity to see what tertiary education is about.

TE WHARE KIMIORA

Ngā tāne me ngā wāhine haerenga

Just as the name of this programme suggests, we are all travellers on the journey of life. Life is filled with challenges, especially when you are only 13 years old and have just entered high school. When you are faced with the demands of handling multiple subjects, changing venues, and meeting a diverse range of teachers and students, it can exacerbate existing anxieties about life, schooling, success, and failure.

The programme is intended to nurture and enhance the inherent nature of resiliency in our young people of Rosehill. In inviting our students to participate in the programme, we hope to equip them with the strategies, skills, and thinking patterns to help them face the challenges they will likely traverse in life and school.

Part of the term-long programme also involves dedicating time to celebrate our students' journeys and closing our time together by doing something meaningful and creative. These photos capture the closing moments of our members as they spend time laughing, sharing stories and, most importantly, carefully moulding pieces of work that they wish to give to someone special in their lives.

Thank you for sharing this journey with us. It has been an absolute pleasure travelling on this journey with you.

COMMUNITY COMMITTEE

OSCAR HAYHOW *and* VARSHINI VELMURUGAN

Our Community Committee has had a dynamic and impactful year, with events that fostered community spirit and supported important causes.

One of our initial efforts was Pink Shirt Day, a global initiative aimed at combating bullying. Our school community rallied behind this, dressing in pink and contributing to a collective fundraising effort. We raised $500 in gold coin donations, which was donated to the Pink Shirt Day organisation.

Following Pink Shirt Day's success, we participated in the CanTeen Bandana Day School Challenge, a nationwide competition encouraging schools to raise funds for young people with cancer. To mark our contribution, the Community Committee, with help from the SLT and Mrs Powell, organised the inaugural Rosehill Colour Run for CanTeen! The event was a resounding success, attracting over 200 participants and raising $2700 for CanTeen. Our efforts were rewarded when the renowned band, Drax Project, visited our school to perform exclusively for students on the last day of Term 2. Another significant challenge undertaken by our committee was the 40-Hour Challenge. Students across the school participated in personal challenges, such as living without furniture or sugar, running 40 kilometres, or doing 40 acts of kindness. Our goal of $1500 was obliterated: Rosehill College raised over $3200 for World Vision! These funds supported the re-greening of Timor-Leste and vulnerable communities impacted by climate change.

Through these events, the Community Committee has shown a strong commitment to making a positive impact both locally and globally. We are proud of the contributions we've made and look forward to future committees building on these efforts!

INTERACT CLUB

EMILY WILLIAMS

The Interact Club has experienced many successes throughout the course of the year thanks to the diligent efforts of our members. As always, we kicked off the year with our Valentines fundraiser, where we sold teddy bears and various heart shaped gifts crafted by Ms Aitchison. We also sold flowers which were meticulously wrapped to be sent out to various people inside and outside the school. We followed this up with our Easter fundraiser, where we organised several raffle prizes and sold more than 900 chocolate bunnies. In May, we celebrated Mothers Day by selling pink-themed baked goods made by our Interact members. This year also saw the introduction of our "Lollies for Lifesavers" fundraiser, where we sold bags of lollies around school. We found this to be a great success!

Throughout the year, our Interact members exhibited great teamwork and dedication by uniting under a shared goal of fundraising for several local and international charities. With over $3000 dollars raised this year, we helped out charities such as Foster Hope, Women's Refuge, Medecins Sans Frontieres, and the Breast Cancer Foundation. It was heartwarming seeing our hard work be invested into causes that truly needed it. Alongside our fundraising efforts, we were also involved in Rotary Club activities, including RYPEN and attended Rotary Club meetings. We finished the year off with a few more fundraisers and meetings and have already begun planning bigger and better fundraisers for the coming year.

We would like to thank the committee members, who sacrificed much of their free time to organise the logistics of fundraisers and meetings. We truly appreciate their continuous efforts. Finally, we extend our endless gratitude to Mrs Duckett and Ms Aitchison for their invaluable support throughout the year which has been crucial to the positive outcomes of Interact.

MUSIC DEPARTMENT

SUE BANHAM

Our Music Department stands as a vibrant and essential component of the school, nurturing talent and fostering creativity amongst our ākonga. This year, we again celebrated a remarkable array of achievements, inside and outside the classroom. Our talented musicians not only honed their skills, but represented our school while honouring our school values of Rangatiratanga and Whanaungatanga.

Our department offers a rich curriculum, including music literacy, composition, songwriting, understanding music in context, Taonga Pūoro, and performance; enabling students to explore genres and develop their unique musical voices.

Participation in events such as pop-up gigs; RockQuest; Stand Up Stand Out; KBB Music Festival; songwriting mentoring with Paige Tapara; Wellington Music Tour; and the Music Soirée at the Hawkins, has allowed students to experience the joy of collaboration and the thrill of live performances. These opportunities have fostered commitment, dedication and teamwork, enriching the educational experience.

The Music Department is more than just a place to learn an instrument or sing; it's a space where passion meets discipline, creativity thrives, and lifelong memories are made. I am so grateful to have been leading this department for 20 years. I thank my team - our seven expert Itinerant Music teachers and Mr Tornquist, the rockstar - and all of our beautiful young musicians, for the mahi and the memories.

As we look back on this year's journey, let us celebrate every success. Always be the best version of yourself; work hard; play hard; and move to the next stage of your life's adventure with excitement!

ROSEHILL COLLEGE CONCERT BAND

WELLINGTON MUSIC TOUR - HAERENGA

It was surreal to see the faces of our Wellington Tour members so early on a *Sunday* morning - the moment had arrived for us to embark on our grand expedition! After three terms of logging hours upon hours of rehearsals, and then tirelessly fundraising - selling everything from Whittaker's and Cadbury chocolate bars to sausages, olive oils, pasta, first aid kits, and countless family fundraisers - we were finally ready!

Loading up the bus was a breeze with the high-energy buzz among us. Passengers, instruments and essentials set off in our luxury coach toward the enchanting land of Hobbiton. Exploring and learning about the movie set was nothing short of EPIC! And it was super exciting to be able to step into a real-life hobbit hole!

Our journey continued to Rotorua, where we arrived in the late afternoon to discover our own triple-share hotel rooms. Dinner was followed by the spectacular Redwood Tree Walk—truly enchanting and *magical*, where forest and fantasy came to life!

Monday began with a hearty hotel buffet breakfast before we set out for Wellington. Our coach trip included *stunning* photo stops at Waiotapu , Huka Falls, and the Kaimanawa Ranges, while the singing, games and lively conversations kept everyone entertained.

Tuesday was a day of exploration as we checkout out Te Papa, The Beehive, Wellington Cable Car and shops. The evening kicked off the "MusicWorks Ensemble Festival Aotearoa" with a spectacular opening concert.

The *intense whirlwind* of Wednesday and Thursday included workshops, performances, a visit to iconic Weta Workshop, and impressive evening concerts. All too quickly, Friday arrived, so we made the journey back to Papakura, stopping at Lake Taupo for lunch.

Music Tour 2024 was packed with laughter, camaraderie and friendship, the excitement of live performances, sensational sightseeing, great restaurants, unforgettable experiences, special memories **AND** two **GOLD** awards! **What an adventure!**

CONTEMPORARY MUSIC

DAVIN TORNQUIST

This year, we hosted three Music Pop Up Gigs. The first, on May 8th, was on the Terraces and included performances by Paige Tapara and Veil. Our second on 15th May was in the Hall where we were entertained by Mazbo Q, and the Rockquest bands Veil and Mystik Rose Time. Our final gig was on 24th August, where we had performances from Kaitlyn Tanoa'i, Moto-iti King, Alex Sulusulu, Boris Lucena from the SUSO Stand Up Stand Out Music Competition.

Smokefree Rockquest Heats were at Auckland Girls Grammar on 18th May and featured the bands Veil and Mystik Rose Time. Online entries were made for the Tangata Beats Heats on 25the May and featured the reggae band Soul Roses, and for the SFRQ Solo Duo on 26th May, Alex Sulusulu performed an original song.

Alex Sulusulu was a finalist for Best Peace song and Best song for the song writing competition, Play It Strange. She also entered the Lion Foundation Song Competition with another of her original songs. Alex was also a solo vocals finalist in the SUSO Stand Up Stand Out Competition at the Auckland Town Hall. Kaitlyn Tanoa'i and Moko-iti King were amazing performers at the heats and Boris Lucena performed well at SUSO as a solo instrumentalist at the Te Oro Cultural Centre in Glen Innes.

Another highlight of the year was when Paige Tapara (through NZMC Music Mentors in Schools) worked with students including bands Decade and The Complete 12, 11 Music class and soloists.

DANCE

DAYLE BURGESS

Following our period without a fixed dance teacher, the start of 2024 saw Miss B join the department bringing with her an immense enthusiasm to spread the delight of dance through the Rosehill College community. Opportunities to learn from external tutors in Cha Cha & Samba and Vogue & Waak supplemented ākonga learnings in Pasifika Dance, Contemporary, Musical Theatre and Funk. Each of these genres challenged ākonga to develop skills that engaged different aspects of their bodies and minds, including rhythm, strength, speed, and grace. These dances then brought kaikanikani from all year levels together to present showcase programmes that joyously entertained, with Miramira in Semester 1 and Tīpako in Semester 2. Audiences were captivated by the dancers' dynamic energy which fostered an uplifting and vibrant atmosphere. Ākonga were amazed by their individual and collective achievements, learning an appreciation for the gains that dedication, practice and teamwork can bring.

This year has been a tremendous success for the Dance program, characterised by enriched learning experiences, growing connections, and unforgettable performances that highlighted the variety and skill in movement that our community can achieve. We're excited to continue the momentum built and see where it takes us in the coming years!

DRAMA
CORY HARE

The year in Drama was a vibrant tapestry of creativity and collaboration, marked by several standout events that enriched our students' theatrical experience. We launched our annual performances with the highly anticipated Studio Cabaret, a showcase that allowed our talented ākonga to shine in a variety of acts, from collective creations, reality television, and professionally written plays, highlighting their diverse skills and passion for the arts. The energy was infectious, setting a lively tone for the rest of the year.

In a thrilling addition to our curriculum, we welcomed the New Zealand Stage & Screen Combat School to our Drama programme. Their expert instructors provided invaluable workshops on safe stage fighting techniques, empowering our students to explore physical storytelling while prioritising safety and professionalism. This unique opportunity not only enhanced their performance skills but also fostered teamwork and camaraderie among the students.

The culmination of our year was the senior performance of Sophocles' timeless tragedy, Antigone. This powerful production challenged our students to delve deep into complex themes of loyalty, morality, and the consequences of defiance. Under the guidance of our dedicated Drama teachers, the cast delivered a stunning portrayal that left a lasting impression on the audience.

Overall, this year was a resounding success for our Drama programme, filled with growth, learning, and unforgettable performances that celebrated the art of storytelling. We look forward to building on this momentum in the years to come!

ENTERTAINMENT AND EVENT TECHNOLOGY

This year, our Entertainment and Event Technology (EET) class has been on an exciting journey into the world of stagecraft and backstage production. Focused on the essential non-acting aspects of theatre, our students have immersed themselves in the intricacies of scenic design, construction, costuming, make-up, lighting, and sound. Each student had the opportunity to specialise in a department, working collaboratively under the guidance of their peers, fostering a strong sense of teamwork and creativity.

Throughout the year, the EET class played a pivotal role in bringing our various drama performances to life. They showcased their talents during the Shakespeare Festival, where they transported the audience to the world of the Bard. The energy of Studio Cabaret allowed them to experiment with lighting and sound design, creating an electrifying atmosphere that highlighted the performers' skills.

Additionally, they contributed to Miramira, our dance showcase, ensuring that every aspect of the production was polished and professional. The culminating project for the year was the senior performance of Antigone, where the EET students demonstrated their expertise in creating a visually stunning and emotionally resonant experience for the audience.

The students geared up for our musical production and were eager to apply their learning and creativity to this new challenge. With each project, they continue to deepen their understanding of the vital behind-the-scenes work that makes theatre truly magical. Their dedication and passion are setting the stage for an exciting future in the Performing Arts!

MATHEMATICS

JOANNE CARTER

Wednesday 14 August saw Rosehill College host the Counties Manukau Mathex Competition. Teams from across 9 local schools competed in the fast paced competition where teams aim to solve challenging mathematics problems as quickly as possible. Rosehill College was triumphant in both the Year 9 and 10 Competitions, taking out first place in both. To be able to do so well the students needed to use their problem solving skills and to work together as a team.

Thank you also to our Year 13 Mathematics students who were markers for the competition.

The winning teams consisted of the following students:

YEAR 9: Sarah Huang, Silvia Man, Viraj Choudhary and Takayuki Kobayashi

YEAR 10: Jet May, Aiden Sadler-Iles, Cruze Tipene, Robert Purdy, and Devon Schofield

DEBATE CLUB

IORI LEMUELU-VILIAMU

This year, the Debate Club has seen a resurgence in debating. Increasingly, our new and old students were eager to learn this amazing art form. With every week that passed, new faces brought light into our club. This year we have focused on sharpening our skills and preparing for wider competition. We have had some compelling topics - Pride Month should be scrapped, DC vs MARVEL, and does God exist? Although the negative teams won overall, debaters on the affirmative team won as top debaters.

BACK ROW: Deborah Abraham, Robert Purdy, Nikau Macpherson, Chloe Griffiths, Devon Schofield
2ND ROW: Sebastian Wright, Rowan Addis-Henry, Connor Chow, Cohen Cooper, James Sim, Mrs L Lamb (Teacher)
FRONT ROW: Tessa O'Leary, Japleen Kaur, Iori Lemuelu-Viliamu, Pavani Kumar, Dylan Rawnsley
Absent: Afshah Ali, Ibrahim Aziz, Tiari Betham-Bell, Hansika Sharma, Karanjot Singh

My co-chairman, Karanjot Singh, was vital in students' learning debate process, helping them learn the rules and regulations of debate. With this being his last year at Rosehill College, we all want to say "thank you for your energetic leadership, and we wish you well in the future".

From a small collective to a multitude of avid debating students, look how far we've come!

Let us remember 2024 as the start of a promising rise to the RHC Debate Club's future glory.

MĀORI

MATUA BARNEY

"Ko te pae tawhiti whāia kia tata, ko te pae tata whakamaua kia tīna" – Seek distant horizons, cherish those attained.

We acknowledge with sadness the passing of King Tuheitia Pōtatau Te Wherowhero te Tuawhitu at the end of Term 3, and with optimism welcome Te Arikinui Kuini Nga Wai hono i te po, who will continue the guardianship of Te Pou Herenga waka o Te Kāhui Arikinui. I also wish to acknowledge Whaea Rochelle, Whaea Sylvia, and myself, Matua Barney, along with others who traveled to Turangawaewae to pay respects.

This year, we hosted many powhiri at Moemoeā Marae, welcoming international students, dignitaries, sports teams, and sharing our commitment to Kīngitanga, Te Ao Māori, and significant landmarks within Papakura. One notable powhiri was for writer Shilo Kino, with Juelz Te Pairi-Heke as our kaikaranga, Lynkin Belcher as kai korero, and our Senior Te Reo class providing waiata support. Her korero was deeply inspiring.

We've also shared our culture with international students who stayed for short-term visits, fostering relationships between them and our students. We had the privilege of welcoming Taranaki Boys High School for a Rugby League Tournament, which took place at Bruce Pulman Park.

Our kapa haka team, tutored by Puhiaurangi Paraki-Brown and Whaea Sylvia Patu, held practices at Moemoeā Marae every Monday. A significant highlight was our dress rehearsal on October 16 in the old gymnasium, followed by our final performance at Westlake Boys High School on October 19. Standing on stage and performing our bracket of waiata was an exhilarating experience. We carried the mana of past students and felt immense pride performing before our whānau, caregivers, and supporters who accompanied us on this journey.

Thank you, whānau, for your unwavering support and encouragement throughout the year.

"Whaowhia te kete mātauranga" – Fill the basket of knowledge.

SCIENCE

ALANA DUCKETT

The introduction of six new courses in Years 9 - 11 provided our ākonga with a range of new and exciting opportunities this year, from dissections to crime scene investigations, and our annual visit from Forensic Insight.

Some of our Physics ākonga participated in the EPro 8 Challenge and four Year 12 ākonga competed in the Engineering and Science Competition.

Another group of Chemistry ākonga took part in the NZIC Analytical Chemistry Competition at Waikato University. This was a great opportunity for the ākonga to experience Chemistry at a University level and explore the facilities that they offer. The Year 12 Chemistry classes also had a visit from Dr Joel Rindelaub.

Year 13 Biology took their annual trip to Auckland Zoo to complete the Human Evolution workshop where they had a hands-on experience looking at skeletons, skulls and tools to support their learning for their exam.

2024 saw the incorporation of Computer Science into the Faculty. This year our senior ākonga have developed websites and digital media for their real-world clients. They also had a visit from Lauren O'Sullivan from CyberCX to see what it takes to be in the field of Cyber Security. Year 10 ākonga have explored multiple areas including programming, digital design, and 3D Modelling.

We also had an amazing group of Māori ākonga in Years 11 - 13 actively involved in the Pūhoro STEMM Academy. In addition to the weekly kaihautū sessions, they had the opportunity to attend three amazing wānanga.

DR JOEL RINDELAUB'S VISIT

ROHAN RAM

This year Rosehill College had the privilege of welcoming Dr. Joel Rindelaub, a renowned environmental chemist, for an insightful session with our Year 13 Chemistry students. His lecture focused on the issues associated with plastics, which was directly linked to our internal assessment about bio-polymers.

Dr. Rindelaub's visit was more than just an educational talk. It was a chance for us to engage with these current environmental issues on a deeper level. Dr. Rindelaub passionately spoke about the widespread issues around microplastics and the complexities associated with it.

Overall, Dr. Rindelaub's visit was a highlight of our Year 13 Chemistry experience. Meeting a PhD chemist face to face was incredibly inspiring. His words left a lasting impression that will continue to motivate us to responsibly apply our knowledge towards a more sustainable future.

GEOGRAPHY

MS. ALEXANDER

This year in Geography the Year 13 students went on an overnight trip to Muriwai and Omaha beaches on the East and West coasts. Even though the weather wasn't great we still had a great time out and about in the environment we were studying. We carried out our Geographic Research by comparing the beaches on the two different coasts. We measured the processes that form dunes and how they were different. The Year 12 students went on an overnight trip to Mt Ruapehu. We were comparing the two sides of the mountain and how the vegetation changes with altitude. We stayed overnight at Pipers Lodge and we all enjoyed the arcade games and the food! This is the first time the Year 11 course has been a semester instead of a year. We learnt about our growing population and the problems that causes as well as the impact on our city. We did some problem solving with how to make our city more resilient to a changing climate. We also learnt about natural hazards like volcanoes and earthquakes that put us at risk in New Zealand. We went on a field trip to a local river to measure how the land is used and the population impacts on the mauri or health of the river.

TECHNOLOGY

MALIA-ANA TURKETO

This year student success in Fabric Technology looked like ākonga learning how to design, cut, create, make, and sew fashionable fabric outcomes through acquired skill and creative talent.

Testing and trialling different types of sewing techniques and materials enabled students to make informed decisions whilst developing and designing their personalised projects ranging from basic boxer shorts to more advanced projects such as reversible basketball shorts, summer outfits, designer jackets and high fashion gowns.

Fashion students achieved successful outcomes by learning how to operate specialised equipment and machinery to complete their project with which they then applied their personalised touches through creative application skills and techniques.

Students got an overwhelming sense of joy and mana when they completed their project, especially when they got to wear it themselves.

This year we celebrated student success when Riti Chand was a finalist at the 'Walk the Line' young up and coming fashion designer awards. Her dress was made from recycled clothing, repurposed and redesigned into an extravagant high end fashion gown that was hand crafted and beaded.

Our last success story is about a handful of Year 11 fabric students: Riti Chand, Phoenix Timothy, Celeste Thomson and Aliesha Mulder. They designed two beautiful kaakahu, inspired by the school values Manaakitanga and Hihiritanga. These gorgeous kaakahu were created with meaning, mana and tikanga in mind, and will be gifted to the school as a symbol of excellence and a representation of student success at the end of year prize giving awards ceremony.

LHARA McCOWN

Just like New Zealand at the Paris Olympics, the Foods Department punched above their weight in terms of student success, student engagement, student achievement, developing teamwork, critical thinking and building students' confidence.

Through the context of foods, students learned life long skills and developed analytical skills that allowed them to whip up a delicious meal or design a scrumptious recipe in no time!

As you can see from the photos the students produced some fantastic end products that have them beaming from ear to ear, excitingly telling their teacher how great their food tastes or how fantastic their product outcome turned out.

Boys do just as well, if not better, in the Foods and Hospitality environment.

MR NITYA SEWAK

Celebrating students success in Hard Materials Technology

A dedicated team of staff have created an environment where students were given the opportunity to excel in their Hard Materials courses.

This year, students were encouraged to perfect a range of skills in Hard Materials Technology. Designing and producing cape cod chairs showcased the quality workmanship that the students developed through their hands-on experience, emphasising their attention to detail and commitment to craftsmanship. Our classes were engaged in a multi-material toolbox project, where our learners utilised specific tools to mark the base of the toolbox. This task required a steady hand and precision. Students also had the opportunity to work with various woodworking machines, including the band saw, which allowed them to learn how to operate these machines safely and confidently as they completed their projects. Their skills with a drill press to create miniature compressed air engines, highlighted their potential as future engineers. Driven by a passion for motor vehicles, our students also delved into Automotive Engineering, assembling a small engine and mastering essential trade tools. Overall, our ākonga had a successful year in Hard Materials Technology, completing diverse projects and honing valuable skills for their future endeavours. We are so proud of their achievements and celebrate their successes!

YASHI YAMINI

In Design Visual Communication, students focused on exciting projects that blended creativity with technical skills. The Juniors were involved in hands-on projects where they designed a light fixture, such as a lamp, that served as the foundation for their bedroom design project. This approach not only helped them understand how individual features work in a larger space but also allowed them to visualise their designs in a practical context.

The Seniors tackled a more complex challenge with their spatial design project, which focused on the redesign of the Papakura train station and a lighting structure for the Waterfront in Auckland City. These projects required them to think critically about a public space in relation to user experience, aesthetics, real-world needs and their constraints.

Across all year levels, students sharpened their skills in freehand drawing, technical drawing, modeling, and 3D rendering. These skills are crucial in visual communication as they help students to transform their creative ideas into physical designs. Design Visual Communication plays an important role in channelling students' creative energy, offering them a structured yet open environment to explore and develop their ideas.

LANGUAGES GLOBAL CONNECTIONS

Celebrating Success and Cultural Exchange in Language Learning

WENDY CHEN

Our Success Story: A PROUD ACHIEVEMENT

Congratulations to Mansirat Kaur, a dedicated Year 9 student who won third prize in the Auckland Regional Chinese Speech Competition! Competing against 40 junior students from secondary schools across the region, Mansirat's speech on the topic "Chinese Took Me Into an Amazing World" captivated the judges. This achievement is a testament to Mansirat's hard work and the unwavering support of our dedicated languages team.

Cultural Experience: EXPANDING HORIZONS

At our school, the Languages Department is committed to more than just language learning. We believe that understanding a language also means immersing oneself in the culture that surrounds it. Through our language courses, students engaged in a variety of cultural activities, allowing them to gain a deep appreciation for the diverse world we live in. This holistic approach ensures that our students not only become proficient in their chosen language but also develop a broader understanding of global cultures.

International Connections: BRIDGING DISTANCES

Our Chinese language students had the opportunity to connect with their peers from Zherong No. 1 Middle School in China. Through communication in Chinese, our students not only practised their language skills but also built meaningful relationships with students from across the globe. This exchange fostered mutual understanding and provided invaluable insights into the daily lives and cultures of their counterparts in China. We look forward to seeing these international friendships flourish!

COMMERCE

The Commerce Department has had an outstanding year, marked by a series of enriching field trips and hands-on learning experiences that have significantly enhanced students' understanding of their coursework. Students had the unique opportunity to visit the Tip Top factory, where they witnessed the fascinating process of ice cream production. This visit provided a delightful and educational experience, allowing students to see the practical applications of their studies in a real-world setting. Additionally, the trip to Punchbowl for Agribusiness offered valuable insights into the agricultural industry, further broadening their knowledge and appreciation of this vital sector.

In addition to these field trips, students from Years 10 to 12 participated in Market Days, where they sold items they produced at school. This initiative allowed them to gain firsthand experience in running a business, from production to sales, and understand the intricacies of entrepreneurship. The excitement and enthusiasm among the students were palpable as they applied their classroom knowledge to real-life scenarios.

A highlight of the year was the philanthropic effort by the Year 12 students, who generously donated a portion of their profits to the SPCA. This act of kindness not only demonstrated their business acumen but also their commitment to giving back to the community.

Overall, the Commerce Department's initiatives have not only enriched the students' academic experience but also instilled in them valuable life skills and a sense of social responsibility. The department looks forward to continuing this tradition of excellence and innovation in the coming years.

INTERNATIONAL

THEANA CHEN

Hi, I'm Theana Chen from China. I'm a Year 12 student and also the international student leader this year. It's been almost three years since I came to Rosehill College and I want to thank Mrs. Henwood and Ms. Booth for giving me the opportunity to take on this position.

Being the international student leader provided me with so much leadership experience and made me feel more confident in communicating with others. I really enjoyed the process of working with teachers and helping other international students. The most interesting part of my role was getting to know students from diverse cultures and backgrounds, which enabled me to make friends with them and get to know each other's countries.

I also want to thank all of my friends who were friendly to me on my first day of school and offered their support and encouragement along the way. Their kindness also inspired me to be more enthusiastic in helping new international students adjust to the school and better complete my leadership work.

Mrs Anne Henwood, Theana Chen, Ms Caroline Booth

SHALESHNI LATA

This year our Year 12 and 13 ākonga had numerous learning opportunities to enhance their understanding about the tourism industry. Looking back to the start of this year, students were filled with passion to achieve the credits in the standards that they had ahead of them. Tourism standards gave ākonga the opportunity to gain all the right skills for a fun and fulfilling career in a re-energised industry. The subject equips the students with relevant skills to assist in turning their passion into a lifelong career.

We had numerous guest speakers this year who gave an insight into the industry. Presenters from Queenstown Resort College, Queenstown campus, International Travel College and Queenstown Resort College, Paihia campus visited students and discussed details around career progressions, qualifications, job opportunities, scholarships and more.

The Year 13 students visited the NZ School of Tourism and Ramada Suites. At the NZ School of Tourism, the students participated in activities and experienced speakers enthused the ākonga about careers in the travel & tourism and airline industry. Year 12 students visited the Doubletree Hotel in Karaka facilitating experiential learning opportunities for the students.

YEAR 13 FIELD TRIP

KELLY TAMALE

The New Zealand School of Tourism was one of the amazing field trips we had. We had a great time learning about the tourism industry. We participated in fun activities at NZST and the presenters really boosted our knowledge about the courses offered. They also provided lasting motivation through memorable success stories. After discovering what the NZ School of Tourism had to offer to us students, we went to the Ramada Hotel. It was an educational and fun experience. We enjoyed the opportunity to ask questions and learn from the experienced professionals in the industry.

LIBRARY

CYNTHIA JOHNSTON

2024 has been another successful year for the Rosehill College Library. The library staff have facilitated a range of clubs and activities for students in our kura. The Fancy Dress Character Challenge was especially popular with both staff and students. The winners on the day were Miss Oliver and Boris Lucena.

Other activities in the library have included a chess club, Dungeons and Dragons, and a knitting club. Board games and colouring in remain popular with students at interval and lunchtime, and the library staff have run quizzes and activities in support of the various language and cultural celebrations.

In term three we welcomed young adult novel author Shilo Kino to Rosehill College. She spoke to the Year 9 and 10 cohorts about her writing and inspiration behind her novel, Porangi Boy. Shilo also facilitated a very successful writing workshop with a small group of students.

The library continues to celebrate students who love reading by providing a quiet environment in the reading room and we strive to support students at all levels by purchasing high interest and curriculum based resources to support their learning.

This year we have had a dedicated team of student librarians who have supported the library staff in their mahi. We would like to thank the student librarians for their time and effort.

The Library Team

Year 12

Heart Shaped Beds & Heartbreak

(*a love story*)

A series of poems spanning the life of a woman and her partner

Lemonade 1958

Doing cartwheels in your backyard, your mom was making lunch
Your brother playing cards, I said 'I love you' a bunch
Your father yelled, "It's time to take out the trash"
Fresh lemonade in my glass

Packard Monte Carlo and a button-up shirt
Slacks were hand-me-down, but you made them work
Hadn't finished my drink, your mom yelled "bring it back"
Fresh lemonade in my glass

Escaped in the car and you drove it around
Singing "Tell Laura I Love Her" with the windows rolled down
You sped up a bit and I thought we might crash
Fresh lemonade in my glass

Spilt some of my juice as you sped by the stores
There was a poster, James Dean, 'Rebel Without a Cause'
Wanted to see the movie, but we didn't have the cash
Fresh lemonade in my glass

So we went back to your house, snuck in the gate
Your mom still making lunch, brother playing card games
Your father was still shouting like time hadn't passed
Fresh lemonade in my glass

I thought it was a dream, and it made me think
So I went to take a sip of my lukewarm drink
Only to see there was nothing, not a drop nor dash
No more fresh lemonade in this glass

"Maraschino Cherries 1963"

Heart-shaped bed
Honeymoon suite
'Gone with the Wind' on our colour TV
Strawberry milkshakes with fresh whipped cream
Topping it off with Maraschino Cherries
Mirrors on the walls,
To watch our every move
Red satin curtains hide the living room
Rose petals on the floor, a sweet perfume
The sweetest 60s, we're Bride and Groom

"Stand By Your Man 1969+"

I tell myself these things as I sit on the counter
There he goes again ... His favorite decanter
I plead
I plead
He's just not listening
To my voice, my cries,
It's like I'm whispering:

"Don't do it to me, honey,
Don't make me regret"
"I don't wanna end up like Tammy Wynette"
"Don't break that vase,"
Then he screams in my face
"When the guests are over -
Don't put me to shame!"

I can't stand by my man ...
I'm doin' all I can.
D-I-V-O-R-C-E?
No, I'm not Tammy
Can't make up my mind
See, that's the thing
I'm bound by this love
- This Golden Ring

I won't plead
I won't plead
I know he won't listen
Not even as these Tears Of Fire glisten
I tell myself these things
Thinking that I can
Maybe I am Tammy Wynette?
Maybe I'll stand by my man?

I know I've done no wrong
But the radio's playing the song
'We're Gonna Hold On'
And 'Lovesick Blues',
Then 'I'll See Him Through'
"For better, for worse ...

If Tammy knew it...
Then I do too
So I'll drop from the counter
I'll listen to him scream
"I don't know her"
"I don't know her"
And throw his favourite decanter

"Till I can make it on my own
Till then and only then-"
I'll stand by my man
I know -
But I've done all I can

ENGLISH

PHOENIX TIMOTHY
Year 11

"You coming?"

Will stepped out of the elevator
Right past the auto doors
He walked nine blocks down
Trying to catch his breath
Chasing his thoughts
As they circled round and round
Running circles around him.

Am I ready?
Ready to be destined to a tin elevator
Riding up and down waiting
Waiting
Waiting?
It left a dim light
In his now empty brain

What is there to wait for?
Another pawn in this vicious cycle
A life yet to be lived
Living for its end
but...
When I die no one fulfilling rule number three
Mum won't
She's still suffering
Consequence of the breaking
Maybe Tony?
Nah he still hasn't grown his wings
so no one

Anagram No.5
Noone = on one
The pressures on one person
But who?

BANG!
A familiar sound
Single bullets flying
BANG!
Phoenix Timothy
Probably went through a heart
BANG!
The last one through the head

No.1 The sirens
But not the the type that came from speakers
It was the wailing of trouble
The morning sun stained in Red and blue
As the uniformed scrambled around

No. 2 The screams
Mothers, and sisters and missus
Sang in harmonious grief
the headless ran
While everyone slashed their eyes and ears

No. 3 The questioning
The once burning curiosity
Was now a burnt match stick
Cause rookies learn quick
It's pointless screaming at deaf people

The screaming grew louder
Overflowing the pool of confusion
With the last breath
CAR$_{LS}$T$_{O}$O$_{O}$O$_{N}$N

A name, The name
Phoenix Timothy
RIGGS!?

Was it Riggs?
The new victim
But not by the hands of will
It couldn't be, who told?
Who snitched?
Who knew?

Will ran closer
What happened?
Is it really riggs
He caught a glimpse of the scene

One body
It was riggs, A bloody riggs
The face he had imagined at the end of his movie.

A bitter realisation like cold claws seized Will's heart as he stood amid the chaos. A constant torrent of sorrow and annoyance overcame him as he realised that he had been unable to bring revenge on the person who had killed his brother. The weight of lost chances and the desire to exact revenge on his brother dragged with every breath, like grains of sand. As he struggled with the unjust turn of events that prevented him from finding closure, agony tore at his stomach, a searing pain that echoed the depths of his grief. Beneath the surface, rage seethed, a boiling inferno of hatred and resentment directed at himself for letting someone
else take the justice he so desperately wanted. The sound of his sibling laughing echoed in the solitude of his grief.

ZOE HUBBARD
Year 10

"The Story of Whale Woman"

It was one cold stormy night on the local beach of mahinepua.

The swells were getting bad and all the fisherman and woman were rushing back to land as it was getting very heavy rain and waves and whale woman was worried that boats were not going to make it back. Whale women used to be a very happy land girl before a very bad accident happened to her and her father. They were out fishing and a very similar storm washed out the whole bay. Her father was smashing over the waves and whale woman flew off the back to save him and her father didn't notice Cassy (aka) whale woman hopes her father made is back, but as soon as Cassy hit the water she was pulled down and she felt weird because she could breath she was the chosen one but Cassy still had to save all the boats going down she was using her power all night long to save others and she was upset she couldn't save everyone but she tried her best. She found that the waves were going down and there were seven more chosen young girls. Cassy was happy but also realised that families have lost their girls.

LIZZIE ACKERSTAFF
Year 10

"Abhorrence"

The city was in shambles. The recent gargantuan attacks left everything in ruins, and the council blames it on me. I had tried to reason with them, begging them to just let me explain. The creatures, no- things were untameable, with insatiable appetites, so how was I to control their behaviour, when this wasn't my idea? If only I had declined...

This all began when I signed up to be a gargantuan researcher; a Gigantologist, if you will. This job entails many dangerous things, and is a high risk and reward. Many people who follow this career path are putting their lives, their families - everything at risk.

They are of high value and status in the city, due to the destructive and blood hungry nature of the beasts. Gargantuans are the large, inhuman creatures that roam our earth. Their flesh is a deep maroon, marbled and hardened. They have no skin, no hair, and mangled, deformed faces. The scientific community were intrigued by these awful, wretched things that had appeared seemingly out of deep, unexplored cave systems that reach far below what is safe for human travel or research.

Our team's goal was to tame these beasts, to make them into working assets. Their large figures and impossibly hard muscles made them into what would be the perfect construction assistant. What we didn't know, is that the gargantuans were smarter than anticipated, and they weren't making progress in their obedience, they were waiting to strike. It was the day that the council's leader had come to make the announcement that the gargantuans were deemed safe to help work on the expansion of the city, when these horrid abominations struck the building that housed not only the leader, but two of his three most trusted assistants; the heads of the defence department, and the city's most favoured architect.

This is what leads to now; I stand before what's left of the council, begging them to forgive me, or for just one more chance. They could hear my pleas, and yet I'm still guilty.

This was meant to be revolutionary, to spark a new age of creativity and become the future of architecture, but these ghastly demons had other plans in mind. Because of one slip up, our most important leaders are dead and it's my fault, apparently. Most crime in this city leads to exile, and like almost every other citizen here, we had never seen what life was like outside of the community. Now I was leaving forever.

CALE JORDAAN
Year 9

Hi I'm the shelter in the snow but people call me shelly… I'm not sure why but I'm kind of just here. I do nothing much, I just sit here… lonely, very lonely… all alone no matter what, I'm just… here, not sure why or how. I was living a fulfilling life until "he" came.

So I was minding my business for a good twenty to thirty years until "he" came, well it's more like "they" but saying "he" came, sounds better. These things that the birds call "humans" came along and out of nowhere, and soon after that, I realise I'm kind of just falling to the ground… the ground, yes the ground, that's how they travel, along the ground, its unusual how short the humans are and they chose to make me short as well, not as short as them but still quite short…

It's sad, I loved being high up in the air. It gave me a sense of purpose, you know making all that oxygen for my little friends, oh yeah my friends my little birdie friends… haven't seen them in a while.

All the little birds used to land on me and I could talk to them for hours non stop, but they always informed me about the humans every single time I talked to them. Those humans don't see me and my kind as "sentient" beings; they think I just sit there like I don't even know I'm alive. Oh well, that's a lot of talk coming from a bunch of flesh bags.

It's quite concerning because every time I see these flesh bags they seem to go past me, well more like they go through me… But they don't go behind me either. I feel like they are underneath me, like I was some sort of shelter, which is fair, I am a shelter in the snow after all. I find it rude that they are using me for their own self gain, they go under me because they don't want to see the rain but all of the little raindrops have their own story. I met this one raindrop the other day named Jerry… man, Jerry was pretty cool until he made his first contact with the ground, he kind of exploded and began to seep into the ground.

Why don't I sink into the ground? I'm heavier than Jerry, aren't I? Maybe it's because he has some super cool powers, like maybe, all water drops have water powers and are able to sink into the ground… Well, yes I've seen it myself with every water drop I've seen, they go into either my little grass buddys or this cold white stuff, but the stuff isn't really my buddy he doesn't talk to me, I think the humans call it snow.

YEARBOOK 2024

ROSEHILL COLLEGE

SWIM CARNIVAL

YEAR 10 CAMP

JADE THACKHAM

Year 10 Coordinator

The Puni Tau Tekau (Year 10 Camp) at Rosehill College is one of the most eagerly anticipated events on the school calendar. This year's camp was no exception, providing three days packed with outdoor adventure, personal growth, and the building of lasting friendships. Our ākonga (students) had the chance to step outside their comfort zones, take on challenges, and learn in a whole new way – beyond the classroom.

The range of activities ensured something for everyone. Kayaking on calm waters allowed students to build teamwork as they paddled along rivers and bays, with some enjoying kayaking for the first time. For those with a steady hand, archery provided a fun challenge, and many students surprised themselves by hitting their targets.

Mountain biking through rugged trails tested fitness and determination, with students pushing through uphill climbs and laughing on thrilling downhill sections. A few tumbles were part of the fun, but everyone got back up, ready for the next challenge.

Both high and low ropes courses encouraged students to trust their teammates and challenge their limits. The high ropes had many conquering fears as they soared through the treetops, supported by friends' cheers. The low ropes activities brought out problem-solving skills and teamwork as students worked together to navigate tricky challenges.

Throughout the camp, team-building exercises played a crucial role in strengthening friendships and fostering leadership skills. Navigating tasks together or cheering each other on helped students bond and create memories that will last beyond camp. The spirit of friendly competition brought out the best in everyone, while evening campfires provided time to relax, share stories, and reflect on the day under the stars.

"Watching our students face new challenges and grow in confidence was truly inspiring," said Jade Thackham, one of the teachers leading the camp. "These experiences build resilience and life skills that can't always be taught in a classroom – they'll carry them into the future."

By the end of camp, tired but happy students boarded the buses home, heads full of unforgettable moments and new friendships. Year 10 Camp has once again proven to be a highlight of the school year, offering a perfect balance of adventure, personal growth, and connection. We look forward to next year's camp, where the tradition of pushing boundaries, embracing challenges, and having fun together will continue!

12 PEO

CARL SYMAN

P.E. TEACHER

The Year 12 PEO class kicked off the year with a bang, embarking on a leadership camp focusing on developing key leadership skills, communication, and teamwork. It set the foundation for what would become an unforgettable year of personal growth and adventure for students.

Following their training, the 12PEO students put their leadership skills to the test as they took charge of the Year 10 camps. Each student was responsible for guiding groups of Year 10s through a variety of outdoor activities, including archery, high and low ropes, kayaking, orienteering, and a team challenge. Their efforts were instrumental in making the Year 10 camps a resounding success, with students demonstrating maturity, teamwork, and confidence in their new leadership roles.

After the Year 10 camps, the focus shifted to skill development, with the class completing a paddleboarding practical assessment. After weeks of practice in the pool, the students achieved their best-ever results for this standard, showcasing the value of persistence and preparation.

In Term 2, the students took on a new challenge with an adventure race in Whakatāne. The race tested their physical and mental endurance as teams trekked and biked for six hours across rugged terrain. There were a few moments of getting lost along the way, but the camaraderie and teamwork ensured most students were still speaking to each other by the end of the race!

The final adventure of the year was a three-day tramp through the stunning Kaimai Ranges. Students navigated bush tracks, crossed rivers, and spent three days fully immersed in nature, gaining a deeper understanding of teamwork, self-reliance, and the beauty of the New Zealand wilderness.

The 12PEO students can look back with pride at a year filled with adventure, leadership, and learning. From leading younger students to trekking across the Kaimai Ranges, they've had a year to remember, one filled with challenges, laughter, and unforgettable moments.

13 PEO

RIDHI PARAMESWARAN

As we embarked on our first trip of the year for 13 Outdoor Education (PEO), our water-based expedition to Tongariro was nothing less than extraordinary. Throughout the whole week of our journey, we immersed ourselves in a series of enhancing activities while disconnecting from technology in the process, and embracing the natural environment. From mavericking down the lively river at Tongariro to kayaking to Kawakawa Bay, we were constantly engaged in exhilarating activities that kept us on our feet the whole time. During our time down at Kawakawa Bay, we also enjoyed the adrenaline rush of rock climbing, and the eye-capturing views that came with it. We spent nights under the stars feeling that pure joy of being in nature and connecting with the environment. We shared a truly remarkable experience while building lasting bonds and creating special memories that will definitely stay with us forever.

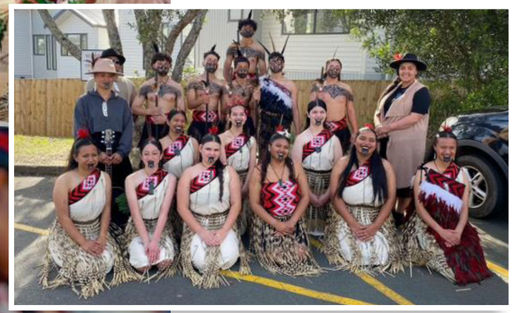

KAPA HAKA

WHAEA SYLVIA

Te roopu Kapahaka o Pukekoroihi has had a fantastic year filled with meaningful events and performances! Their participation in welcoming new staff and students at Powhiri highlights the important cultural role they play within the school community. Excelling at the Ahurea Kapahaka festival is a commendable achievement, showcasing their dedication and passion.

Training for the upcoming Rangiriri festival and preparing to represent Rosehill College at the 2025 Polyfest Festival demonstrates their commitment to not only their own growth but also to their cultural heritage. It's great to see them taking such pride in representing our school and whānau.

GALA DAY

SHRESHAA GUHAN

A CELEBRATION OF COMMUNITY AND GRATITUDE

On October 19, 2024, Rosehill College came alive with its first-ever Gala, a long-held dream that the Student Council and I worked on for months. Our goal was to reconnect the school with the wider Papakura community, bridging the gap left by COVID-19 and bringing people together in celebration.

Organising the Gala was more than just planning an event; it was personal to me as a way of giving back to Rosehill College and the Papakura community, which have been such an important part of my journey. This day was meant to be memorable not only for students but for everyone who has contributed to Rosehill's story over the years.

The morning of the Gala was filled with excitement, and a bit of worry that no one would show up. But as the sun rose, families, friends, and community members poured in, filling the grounds with smiles, laughter, and pure joy, surpassing all our expectations. Stalls showcased handcrafted jewelry, unique art, and local treats, while food trucks offered delicious bites, adding vibrant flavours to the atmosphere. Live performances of music and dance filled the air, capturing the incredible diversity and spirit that make Rosehill special.

Everywhere I looked, I saw families, students, and friends connecting and celebrating our community, and it was particularly meaningful to see ex-students and future students joining the festivities, further strengthening the bonds within our Rosehill family.

This Gala wouldn't have happened without the dedication of the Student Council, our sponsors, and community members who believed in this event. Looking back, I feel overwhelming gratitude; it was more than just a day of fun — it was a heartfelt celebration of community, a thank-you to everyone involved and, hopefully, the beginning of a legacy that will last for years to come.

ROSEHILL COLLEGE

STARRY NIGHT

YEARBOOK 2024

SPORTS

Natalia Rankin-Chitar, Jarrod Mealings, Saua Leaupepetele, Hamish Fraser

SAUA LEAUPEPETELE SPORTS DIRECTOR

As we reflect on an incredible year for sports at Rosehill College, I'm delighted to share how much we've achieved together. This year has been truly exceptional, with an impressive increase in student participation across our sports programs.

One of the highlights was the launch of our new initiative, Sports Launch. This event was a fantastic opportunity to bring our students and their families closer to our sports community. It was wonderful to see everyone engaging with our range of activities, including our exciting new sports like weightlifting, table tennis, water polo, and squash. Sports Launch allowed us to connect with both new and current families, showcasing the vibrant and diverse sports environment we've cultivated.

In our ongoing efforts to enrich our students' experiences, we also ventured into new territory this year. We entered three of our netball and rugby teams into the local Auckland competition. This move was designed to provide them with new challenges and the chance to experience a different level of competition, broadening their skills and perspectives.

Our goal for 2024 was to stay connected with our students and create a fun, safe space for both boys and girls to enjoy sports. It's been truly rewarding to see so many students actively participating and thriving in their sports.

A huge thank you goes to all the students for their unwavering commitment and pride in representing our school. Your dedication both on and off the fields and courts has been remarkable. The positive feedback from our community and beyond about our teams' success and sportsmanship is a testament to your hard work and exemplary conduct.

A big shoutout to Jason and his team for always getting the grounds ready for training and gameday, as well as working closely with our coaches and managers for those after-hours sessions. Your tireless efforts behind the scenes have made a huge difference, and we truly appreciate it.

I'm also excited to highlight the positive change we've seen with our switch to Dynasty as our clothing supplier. The improved quality and prompt service have been fantastic, and we're grateful for this upgrade.

I'd like to express our deepest gratitude to all our sponsors for their steadfast support across all our sports codes. Your generosity has been crucial to our success this year.

A special thanks to Hamish Fraser for his outstanding mahi, support, and direction of our sports codes. We bid a fond farewell to Jarrod Mealings, whose contributions have been pivotal in shaping our sports program. We warmly welcome Natalia Rankin-Chitar, who has already made a significant impact by maintaining our momentum and bringing fresh ideas to improve our operations.

We are also incredibly appreciative of the over 40 volunteers who have dedicated countless hours to supporting our students. From coaching and managing teams to providing support and being our athletes' Uber drivers, your commitment has been invaluable.

Thank you to Daz Suasua for his creative and engaging social media work. Your efforts have greatly enhanced our sports department's visibility and connection with our community.

Looking ahead, we're excited to build on this momentum and continue developing our sports offerings. Here's to another fantastic year of sports at Rosehill College!

WINTER TOURNAMENT

SAUA LEAUPEPETELE

Tournament Week brings its own set of challenges for us as a sports department. Coordinating a week of high-level sports is never without its hurdles, but we rose to the occasion once again. This year, our 1st XV boys and girls took part in the Northern Region Cup, where each team faced 5-6 tough 50-minute games over just four days. Unfortunately, the boys were forced to withdraw on day three due to a high injury count, leaving us with only 14 active players. On the other hand, our girls battled hard and finished a respectable 3rd, though injuries were also their toughest opponent throughout the week.

Our netball team competed in the UNISS competition out West, playing a total of 10 games, winning 7, and finishing 13th in C Grade out of 32 teams—a strong performance that allowed us to maintain our status in C Grade. A special thank you to the parents who generously donated food, and helped cook and prepare daily meals for the Premier Girls team. Your support made a huge difference, and we are incredibly grateful.

In basketball, our teams also had a great showing. The Junior Boys finished 9th in the Zone 1 Premiership, while both the Senior Girls and Senior Boys placed 3rd in the Northern Cup—a testament to their skill and perseverance.

A huge thank you goes out to all the volunteers and staff who made this week a success. Special mention to Terence Matai'a for his support with 1st XV Rugby, Sharan Timothy, Braiden Timothy, Andre Timothy, and Vicky Clarke for their invaluable help with Netball, and Michael Stininato, Loy Martinez, and Jerald Ybanez for their dedication to our Basketball teams.

Tournament Week is always a test of resilience, and our athletes handled the challenges with pride and grit. Well done to everyone involved!

SOFTBALL SENIOR GIRLS

BACK ROW: Hope Dufty (Coach), Janaiyah Nathan-Kaihau, Mia Lemon, Jarrod Mealings, Chelsea Te Puni, Kalpana Tuitea, Tunisia Anderson (Coach)

FRONT ROW: Sunsett Tupaea-Uiese, Angel Blanchard, Ainsley Kairua, Trinity Waiwiri-Toka, Elena Paikea, Sienna Dufty, Acadia Nathan-Kaihau

This season, our Senior Girls Softball team made their mark on the national stage at the Secondary Schools Nationals held in North Harbour. The tournament started with a significant challenge as we lost our starting pitcher, Janaiya Nathan-Kaihau, early on. Stepping up in a big way was Trinity Waiwiri-Toka, who normally plays as catcher. Not only did she switch positions to pitch the entire tournament, but she faced over 200 batters and recorded an impressive 42 strikeouts. Despite this being a young and relatively new team, their resilience and determination shone through.

The girls battled hard throughout the competition, eventually finishing as runners-up in New Zealand, a remarkable achievement given the hurdles they overcame. Several of our players were recognised for their outstanding individual performances. Trinity Waiwiri-Toka and Chelsea Te Puni earned spots in the Tournament Team, showcasing their skills on the national stage.

In addition to their success at Nationals, Janaiya Nathan-Kaihau, Seinna Dufty, and Trinity Waiwiri-Toka also made the Counties Representative team, while Trinity's incredible talent saw her selected for the NZ Junior White Sox. She proudly represented New Zealand in an upcoming tournament in Brazil, a huge milestone in her softball journey.

With such a promising group of young athletes, we are excited to see them return stronger next year as they set their sights on the 2025 Nationals in Wellington. There is no doubt this team has what it takes to go all the way.

TRINITY WAIWIRI-TOKA

SHARAN TIMOTHTY

(HEAD OF NETBALL)

This year has been a monumental one for the Rosehill Premier Netball team, marking our debut in the prestigious Auckland Competition. For the first time in our school's history, we not only entered the competition but also emerged victorious in the Senior A Section B. We ended the season proudly, at the top of the table in Second 1, a testament to the hard work, dedication, and unwavering commitment of our players.

Our team's journey to success has been fueled by a rigorous training regime, including three early 6 am sessions each week. The players have consistently demonstrated an incredible work ethic, setting an outstanding example of what can be achieved through determination and perseverance. Their dedication has not only brought us victories but has also built a strong team culture, grounded in mutual support and a relentless pursuit of excellence.

We were also fortunate to have the opportunity to be coached by the Stars Men's and Women's coaches, whose expertise and insights have been invaluable in preparing us for the upcoming UNISS tournament. Their guidance has elevated our game, instilling in us the strategies and mental toughness needed to compete at the highest level.

Looking ahead, we are excited about the future, particularly with the launch of our Junior Academy next year. This initiative will nurture the next generation of netball talent at Rosehill, ensuring that our legacy of excellence continues.

The Rosehill Premier Netball team is more than just a group of players; we are a family, united in our passion for the game and our commitment to each other. We look forward to carrying this momentum into the next season and beyond.

NETBALL PREMIER

BACK ROW:
Sharan Timothy (Coach), Hollie Ireland, Chelsea Te Puni, Abby Ross, Teina Stephens, Phoenix Timothy

FRONT ROW:
Anjali Kumar, Lusia Talavou, Tracey Kalamelu, Elena Paikea, Harmony Te Wake

Absent:
Lilly Millett, Amelia Brown

FOOTBALL SENIOR BOYS FIRST XI

MOE KAFIL

This year the school first XI played an outstanding season. With a few juniors filling in at the beginning - the team had a winning streak of 8 wins in a row including beating Pukekohe who came 3rd in nationals last year. Some highlights include a comeback against Papatoetoe, and a 4 nil victory over Aorere. Keen Mandizvidza has been selected for Auckland United, competing at the same level as teams such as Auckland FC. Other boys include Alex Wilson and Allan Orobio Chaves who performed alongside other club commitments. In the end Rosehill College finished third in the top Counties Manukau competition with aims of attending nationals in the future years to come.

BACK ROW:
Enzo Mowday, Allan Orobio Chavez, Harry Singh, Jack Marr, Keen Mandizvidza

MIDDLE ROW:
Moe Kafil (Coach), Harman Cherra, Daniel Abraham, Jayden D'Cunha, Alex Fleming-Ludemann, Dominic Lilley, Ekamjot Grewal

FRONT ROW:
Clinton Nelson, Kaito Sakimura, Arnav Chandra, Alex Wilson, Isaac Andrews, Esmail Garib, Yuvraj Kumar

KEEN MANDIZVIDZA

FOOTBALL JUNIOR BOYS A

BACK ROW:
Kamryn Peters, Hugo Foo, Boston Walker, William Pivott

MIDDLE ROW:
Jarrod Mealings (Manager), Mark Torredes, Shehbaz Dhaliwal, Harnmeet Singh, Gurneet Singh, Aaryan Prasad

FRONT ROW:
Gursimran Singh, Kavish Kumar, Rayan Chand, Garuth Athukorala, Arnash Chandra, Exauce Kyalondawa, Shivyesh Chand

HOCKEY GIRLS 1st XI

KATH THOMPSON (MANAGER)

The girls have had a fantastic season. They all gave their best effort every week and we came in the top of our pool in the B grade. They also did really well in the A/B crossover. Unfortunately, we only had a squad of 13 which meant that for some games we were short of players. This resulted in us not being able to attend tournament week this year, but we are aiming high for next year. If you're interested in hockey, come and give it a try in 2025. To the girls from this year you are awesome! We loved watching you play and strive to improve every game. Keep going!

BACK ROW:
Paige Ashwell, Tessa O'Leary, Natalia Rankin-Chitar (Sports Coordinator), Emma Thompson, Japleen Kaur

FRONT ROW:
Marina McDonald, Darcy Wallace, Lyra Purcell, Eloise Saunders, Anna Semerad, Capri Cutfield, Ayla Turvey

Absent: Katherine Thompson (Coach)

AYLA TURVEY

VOLLEYBALL SENIOR BOYS

BACK ROW:
Tua Saia (Coach), Jak Mounsouphom, PJ Ah-Lam,

FRONT ROW:
Luke Brown, Orlando Sausi, Jordan Saia

Absent:
Tamihana Starr, Jacob Galuefa-Levi, Elijah Atuaia, Molu Lusama

VOLLEYBALL SENIOR GIRLS

BACK ROW:
Caleb Sitagata (Coach), Kalpana Tuitea, Pharyn Cooper, Mo'o Vaiangina, Lilly Mauafu (Coach)

FRONT ROW:
Jhordana Saia, Niina Kapili, Vasi Vaiangina, Jeilyann Pinzon, Tonu Aumua, Priya Vaisola Panini, Joyce Botor

Absent: Margaret Nuusolia, Lita Lusama

HOCKEY BOYS FIRST XI

BACK ROW:
Robert Hamilton (Umpire), Mitch Hoebergen, Ryan Stutter, Mathew Thompson, Peter Hamilton (Coach)

FRONT ROW:
Jack Hamilton, Michael Hamilton, Wyatt Hooper, Caleb Needham, Harry McQueenAbsent: Zhydee Olegario

Absent:
Tayte Donaldson, Darian Robinson, Rayan Chand, Mark Torredes

ATHLETICS

BACK ROW:
Logan Potts, Jayda Scanlan, Addison Hall

MIDDLE ROW:
Hamish Fraser (Sports Co-ordinator), Keen Mandizvidza, Daniel Abraham, Angus Hayhow

FRONT ROW:
TJ Tipene, Clinton Nelson, Nuggie Namana, Liam Shaw, Kokono Kinjo

Absent:
Brooklyn Stininato, Hiroyuki Kobayashi, Takayuki Kobayashi, Yui Kobayashi, Simon Zhang

RUGBY BOYS 1st XV

BACK ROW: Miki Pooi, Mythias Figota, Jeremiah Gago, Christiano Van Der Sandt

THIRD ROW: Locky de Baugh, Preston Baker, Sam Forbes, Josh Matthews, Ashton Waller, Geneus Eteuati, Caleb Shaw

SECOND ROW: Hamish Fraser (Manager), Josh Boxall, Daniel Brett, Jak Mounsouphom, Saua Leaupepetele (Coach), Shane Baker (Coach)

FIRST ROW: Jacob Galuefa Levi, Kurtis Gavin, Oscar Hayhow, Bobby Morrison, Regan Brown, Brooklyn Ainu'u, Elijah Atuaia

Absent: Terrence Mataia (Coach) Stanley Mafi, Richael Rawiri, Soane Tupoumalohi, Tyler Vui, Josiah Moniati, Ofa Aulika, Byron Livingstone-Clark

RUGBY BOYS U15

BACK ROW: Sione Fehoko, Thomas Pawa-Ah Chong, Byron Livingstone-Clark, Steel Ratumu

THIRD ROW: Joe Aso, Danny Pryor, Kennedy Galuefa Levi, Jared Kiamen, Vice Vaisola Panini

SECOND ROW: Shaun Gibson (Coach), Jarrod Mealings (Manager), Phillip Haynes, Mariko Tiouni, Ethan Fletcher, Hamish Fraser (Assistant Coach)

FRONT ROW: Selulo Amataga Taifaga, Thomas Duffie, Josiah Moniati (Captain), Jaden Leef, Tyler Vui

Absent: Chev Manuel, Māia Madden, Lani Aulika, Ofa Aulika

SAUA LEAUPEPETELE (COACH)

The 2024 season for our 1st XV boys was a journey of growth and perseverance. With 80% of the squad being new, the team adapted quickly to new systems and structures, showing great determination. We started with a strong 31-24 win against the American rugby club, Mother Lode, setting a positive tone for the season.

In the regular Counties Manukau competition, the team played 10 games, finishing third in the regular season. Despite challenges, including major injuries, the boys pushed through. By the semi-final against Papakura High School, we were down to 21 players. In torrential weather, the team delivered an exceptional defensive performance, holding a 6-3 lead to advance to the final. Although we fought valiantly, we narrowly missed the title, ending with a 19-12 loss in the final.

Off the field, we celebrated the selection of Jacob Galuefa Levi, Kurtis Gavin, and Brooklyn Ainu'u to the Counties Manukau Rugby U18 squad—an outstanding achievement.

A heartfelt fa'afetai tele lava to our sponsors: Tooth Group Dentistry, Rima Security, ENZED, Paerata Rise, Papakura Auto Electrical, Carlton Haulage, Get Blasted, NZ Sports Frames, Good Ben Pools Ltd, and Dynasty. Your support was vital.

We also thank our parents, especially those who supplied food for our after-match functions—your contributions made a big difference.

We're also grateful to our Principal, Ms. Suasua, for her continued support throughout the season. Your encouragement has been instrumental to the team's success.

Finally, a big thank you to Shane Baker, our backs coach, and Terence Matai'a for taking time off work to assist in coaching the boys throughout this long campaign. Your dedication and guidance were invaluable.

RUGBY GIRLS 1st XV

SAUA LEAUPEPETELE (COACH)

The 2024 season for our 1st XV girls was historic. For the first time, we played 15-a-side rugby and joined the tough Auckland Secondary Schools competition on Monday afternoons. The girls embraced this challenge with determination and skill.

We opened the pre-season with a 32-20 win against the Canadian team, Bayside RFC—a strong start and great introduction to 1st XV rugby. Throughout the season, the team played seven games, showing strength and commitment. In a thrilling Counties 1st XV championship match, we narrowly lost the title with a close 24-22 loss to Wesley College. Despite this, the girls' performance was a testament to their dedication.

A standout achievement was having nine players selected for the Counties Manukau Rugby Girls U18 squad—an unprecedented accomplishment. Congratulations to Andy Kaci, Deonn Spencer, Acadia Nathan-Kaihau, Jasmine Sa, Reezyn Beazley-Phillips, Teina Stephens, Saane Ma'asi, Shyra Vui, and Jezani Ainu'u.

The biggest highlight was watching the girls grow into confident players, excelling on the field and enjoying the supportive space they created.

Our deepest fa'afetai tele lava to our sponsors: Tooth Group Dentistry, Rima Security, Paerata Rise, NZ Sports Frames, Good Ben Pools Ltd, Dynasty, Sportsup, ACSL, and Heartland Bank. Your support made this season successful.

Our thanks also go to parents and community members for their support, especially those providing food for after-match functions. Special thanks to Allesha Green for her sideline support, strapping the girls, and being an incredible help. We also thank Hamish Fraser for his dedicated role as coach/manager. Your time and patience have been greatly appreciated.

Finally, thank you to everyone involved for their dedication and effort, making this year truly unforgettable for our girls.

BACK ROW: Lexi Johnson, Maria Alefosio, Tonu Aumua, Tracey Saivaise

THIRD ROW: Zebulun Walker, Katelynn Faauli, Reezyn Beazley-Phillips, Esther Ranadi, Teina Stephens

SECOND ROW: Saua Leaupepetele (Coach), Andy Kaci, Jasmine Sa, Saane Ma'asi, Jezani Ainu'u, Hamish Fraser (Coach)

Absent: Mansirat Kaur

ROWING

Capri Cutfield, Leilani Aumua

THANK YOU TO OUR SPONSORS

ATAWHAI

STEVE WILLIAMS
(HEAD OF HOUSE)

In my last year as a Head of House, I have seen several worthwhile changes that will certainly help the Senior School and Year 13 in particular. These include uniform and a supervised study and mentoring program, which features credit tracking. We have had some innovative house competitions this year during Manaakitia Mai classes on Friday's which have attracted more participation. This has been wonderful.

I have enjoyed working with a great group of senior student leaders: Lyn Kim, Bella Sing, John Waters and Justin Aranda. The junior leaders, Natasha Myles and Rayan Chand, have also been great. The leadership roles have changed and I feel they have been impressive with several being able to stand for leadership next year. I am hoping they may get further leadership opportunities. The other leaders within Atawhai are A'izel Witehira (Māori Leader) and Japleen Kaur (Academic Leader).

BACK ROW: Lyn Kim, Bella Sing
FRONT ROW: Justin Aranda, Mr S Williams (Head of House), John Waters

I have enjoyed 34 years at Rosehill College and the many changes. I am retiring at the end of this year satisfied with my time here. Over and Out.

KAHURANGI

YEARBOOK 2024

SHYRA VUI & ENZO MOWDAY
(HOUSE LEADERS)

BACK ROW: Enzo Mowday, Josh Boxall
FRONT ROW: Shyra Vui, Ms Mackay, Tessa Ulae

2024 was the first year in a while without many obstacles in our way. It was a year to remember for Kahurangi, with dominance in every competition early in the school year. Term 1 saw the return of Rosehill's Swimming Carnival, where we took home the House Shield for the first of many times. Kahurangi students continued to excel in Manaakitia Mai and House events, thanks to the support of our amazing leaders, Manaakitia Mai teachers, Kahurangi House students, and our Head of House, Ms. Mackay.

Peer Support was a great way for senior students to show leadership by helping new students in an activity-based learning environment on Friday afternoons in Term 1. Thanks to those who stepped up.

Enzo, Josh, Shyra, and Tess did well leading Kahurangi this year. Sam and Zanthie, our head students; Lile, our Pasifika leader; and junior leaders Gino and Kohu rounded out the Kahurangi Leadership team, motivating everyone so we could win. Thank you to Dayle and Zaqeo for their work in Arts Week, especially the amazing pavement chalk art.

Overall, it's been a great year, and we believe Kahurangi students have grown their House Spirit and shown a positive attitude toward the school. Remember, always pursue the precious things in life! UP THE SHARKS!!

MANUTAKI

VARSHINI VELMURUGAN
(HOUSE LEADER)

This year has been a journey of growth and achievement for our house. We are grateful to have had the opportunity to be your house leaders. Whether winning or losing, our wolves have participated in every house event. We took pride in coming first in the House Scavenger Hunt, which earned us the House Shield. Though we faced a tough competition and finished fifth in the Swimming Carnival, we had a very enjoyable time. Our perseverance paid off as we were awarded the House Shield twice this year. Despite the ups and downs, our House Spirit remained strong, and we came out better for it. We would like to thank each and every teacher and especially Mrs Kokohu for guiding us through this year. Here's to another year of striving, thriving, and making Manutaki proud! Just like a leading bird.

BACK ROW: Hiroyuki Kobayashi, Rohan Ram

POUNAMU

YEARBOOK 2024

MR AITCHISON (HEAD OF HOUSE)

I have had a great year looking after Pounamu. Fortunately I have had a lot of support from my wonderful House leaders Max Carter, Jessica Andrews, Ridhi Parameswaran and James Buchanan along with junior leaders Addison Hall and Arnav Chandra. We have had a great deal of fun and the House Spirit has been very strong. The House leaders have organised an assortment of activities and led assemblies which have been informative and interesting.

They have also been keen participants in all events. Our house leadership team has been augmented this year by head students Teina Stephens and Oscar Hayhow, who always contributed to the house events. As a team they have been great to work with and unfailingly loyal. I wish Mr Pema all the best as he takes over the role.

The Arts Week was a particular highlight for me. The Pounamu team's pavement art dragon was spectacular. The house quizzes have also been enormous fun. I have very much enjoyed watching the house getting involved and having a good time taking part in positive activities.

BACK ROW: Max Carter, James Buchanan
FRONT ROW: Jessica Andrews, Mr Aitchison, Ridhi Parameswaran

HOUSE LEADERS

2024 has been an exciting year full of new changes and Pounamu has done a remarkable job at embracing these transitions. From adjustments in certain house activities, assemblies and uniform changes, to shifts in our timetable, this year has been a shining example of successful adaptation. Pounamu has done an excellent job in representing themselves in activities as well.

We could see this showcase of enthusiasm in Swimming Sports, house quizzes, activity afternoons and their impressive representation of the Māori culture through learning the haka. Needless to say, we collectively raised the most in school for the 40-Hour Challenge, contributing to Timor Leste's fight against the impacts of climate change. This honestly deserves a pat on the back, so well done dragons!

The Swimming Carnival marked an excellent start to the year being a symbol of Pounamu's increased efforts in participating in wider school events and activities as the year progressed. It also provided an opportunity for Year 9 students to immerse themselves in school spirit. We, as your House Leaders (Max, James, Jess, and Ridhi) have thoroughly enjoyed our time leading Pounamu and are immensely proud of your achievements. Our message to all Pounamu members is simple: continue participating in house activities. High school years pass quickly, and it's important to uplift your experience with more than just academic pursuits. We hope Pounamu's journey in 2024 has inspired you to embrace change, participate and make a positive impact in your school community. We wish you all the best for 2025. Pounamu leaders for 2024, signing out.

RANGATAHI

YEARBOOK 2024

HOUSE LEADERS

Eshan Breja, Ms Sorensen, Pavani Kumar, Phoenix Row
Absent: Makenzie Stewart

The transition to Manaakitia Mai time on Fridays has been eventful. Opportunities for some really great house competitions, activity afternoons, Peer Support, assemblies, and extra time to catch up on revision, as well as academic seminars have worked out amazingly through the year. This year's Year 10 camp was a huge hit; two particularly standout activities were kayaking and high ropes, which are highly suggested for the Year 10s next year. As we can all agree, peer support was a new and fun learning curve for us all. Once we got the hang of it, interacting with the Year 9 students through educational activities was really enjoyable and captivating. With no lockdowns or year-level days off from school, this is the first year that COVID has been a little more relaxed. As a result, the leaders had access to a far wider range of exciting activities to run with our studens. Rangatahi has also come into possession of the House Shield quite a few times along the year, a notable moment being when we won the House Spelling Bee. To sum it all up, this year has been truly wonderful and we are so grateful to have been Rangatahi's 2024 leaders.

TAIKURA

YEARBOOK 2024

HOUSE LEADERS

Over the course of the year Taikura has had many challenges, some of which we have succeeded in overcoming better than others. We started this year off strong, coming in second place at the Swimming Carnival. Then when the Mana sports rolled around it was wonderful to see so many people come in and participate, showing the real Taikura spirit. Winning Arts Week was a highlight for us. With all the results, effort and spirit given to the competitions this year, I am proud to be a member of this house. Through our trials and tribulations, we have always burned the brightest, and we will continue to burn bright as we finish off the year with our external exams. I'm excited to see what the future holds for Taikura as a house and the students who keep the spirit alive. I have had the privilege of working with two house leader teams and I will say these people are some of the best, most reliable people you'll meet. Thank you to our house leaders. Thank you to Mrs Leith-Bringans, and thank you to the students for having us as your leader team for this year. All the best for your futures and burn bright for 2025!
