ROSEHILL COLLEGE

MĀ TĀTAU E HANGAHANGA AI TE TAIAO HIRANGA

YEARBOOK 2026

NOMENETA HAREMA: 13PRINTMAKING TKI / SELECTED FOR THE PAT HANLY ART EXHIBITION - KAUPAPA PASIFIKA CATEGORY

PRINCIPAL'S REPORT
MRS DAVIDA SUASUA

"Together we create an environment for personal excellence"

He wāhi e whakatipu ana i te hiranga o ia tangata.

Kia ora koutou katoa,

What a year 2026 has been for Rosehill College! From academic and sporting achievements to cultural performances and school events, our students have continued to showcase the talent, diversity and spirit that make Rosehill such a special place.

I am particularly proud of the role our students play in shaping our school culture. While we set the direction and provide opportunities, it is our students who bring Rosehill College to life.

To our Year 13 students, it has been a privilege watching you grow from the Year 9 cohort I first welcomed in 2022 into the young adults you are today. In many ways, your journey through Rosehill has been part of my journey as Principal. Thank you for helping shape our school and leaving a legacy for those who follow.

To all our students, remember that success is not measured only by awards or qualifications, but also by the challenges you overcome, the friendships you build and the way you treat others.

To our teachers and support staff, thank you for your dedication to our ākonga . To our parents, caregivers and whānau, thank you for your ongoing support.

To those leaving Rosehill, carry our values with you: **Hihiritanga (Strive), Rangatiratanga (Reflect), Whanaungatanga (Respect) and Manaakitanga (Connect).**

Kei ōu ringaringa te ao – The world is yours.

The future is yours to create. I hope that when you look back through these pages in years to come, you do so with pride, a few smiles and some wonderful memories of your time at Rosehill College.

YEARBOOK ACKNOWLEDGEMENTS
COORDINATOR: Jessie Peneamena
EDITORIAL SUPERVISOR: Melissa Powell
DESIGN & PRINT: RHC Media Team
Many thanks to all the staff and students who contributed to the content and production of this year's magazine.

BOARD REPORT 2026
MRS CLAIRE KNAPP

It has been a big year for Rosehill College and for our new Board. As a new group, we have been learning together, getting to know the College more deeply and considering how we can best support its students and staff. I want to thank my fellow Board members, including our student representatives, for the time, care and different perspectives they bring to our discussions.

This year our school has continued to face a lot of change and challenge across education. Throughout it all, our Principal, Mrs Davida Suasua, the Senior Leadership Team, teachers and support staff have done an amazing job. Their commitment to our students is clear in the learning, support and opportunities they provide every day. On behalf of the Board, thank you for all that you have given this year.

The Board has also been impressed by our student leaders. We see the work they have been doing alongside the SLT and teachers to bring more life to interval and lunchtime, giving students more opportunities to join in, connect with each other and enjoy their time at school. It has been lovely to see their ideas come to life and the difference they are making for other students.

To all our students, congratulations on the many things you have achieved this year. Some of those achievements will be celebrated in these pages; others may be quieter, but are just as meaningful. To our students leaving Rosehill, I wish you every success in the next chapter. I hope you leave with friendships, good memories and confidence in what you can do.

Thank you also to our whānau and community for the many ways you support the College. As a Board, we look forward to continuing to work alongside you, our staff and our students to help every young person at Rosehill find their place and strive for personal excellence.

HEAD STUDENTS

ADDISON HALL

I remember sitting in my Year 9 MANA class when my teacher encouraged me to apply for Junior House Leader. Unsure whether to apply, my mum encouraged me by saying “what’s the worst that could happen?”. In that moment, I replied, “I could get it”. At that time, public speaking terrified me. However, I was drawn to the opportunity to make a difference and support others.

Fast forward to today and I’ve had the privilege of being a leader every year since. I’ve realised leadership isn’t about being the loudest or standing in front of others, even though I can be pretty loud. It’s about showing up, stepping outside your comfort zone and making someone else’s day a little better.

Rosehill College has provided me with more opportunities than I could have imagined. The list of people I would like to thank is endless: staff, students, friends and especially my Mum. Without their support, I could never have imagined becoming Head Student.

To future student leaders, embrace every opportunity and make the most of every moment. Learn, grow and cherish the experiences our incredible kura provides. Most importantly, give back by empowering those who follow behind you. After all, some of the best opportunities begin with doing something that scares you!

ARNAV CHANDRA

Being a Head Student this year has been one of the most rewarding experiences of my time at school. It is so hard to put into words what this year has meant to me, because it has been so much more than a title or a position. It has been about the people, memories, and the moments that I know I will carry with me throughout my life.

From leading school events, supporting charity initiatives and simply being there for students, I have learned that leadership is not about being perfect and having all the answers. It is about being someone people can rely on, someone who is willing to listen, and make people feel like they belong. Because at the end of the day, being a leader isn’t about standing at the front; it’s about standing beside one another and moving forward together.

I am incredibly grateful to everyone who trusted me with this role and allowed me to make a difference. To the future student leaders, take every opportunity, back yourself, and enjoy it. The year goes far quicker than you think. Make memories, make a difference, and leave the school better than you found it.

Most importantly, be yourself. Don’t let anyone tell you otherwise!

HOLLIE IRELAND

Being a Head Student this year has been so much more than just a leadership role; it’s been a journey of growth, connection and learning. It has taught me that leadership is not being the loudest in the room, but being someone who listens, supports and shows up when it matters the most. This year, I have had the privilege of leading school events and activities which have brought our students and community together. Every experience reminded me of the impact we can have when we work together. Ideas that once seemed impossible became a reality through the power of teamwork and dedication. One of the most meaningful parts of leadership has been seeing our school come together, students step out of their comfort zones, and create memories. My message to future students is simple: believe in yourself, embrace every opportunity, and never underestimate the difference you can make. Always lead with purpose, kindness and confidence.

The effort you put in today shapes the outcomes you achieve tomorrow!

ARPIT BEHAL

It’s becoming increasingly hard to believe that my five years at Rosehill College have now come to an end. Since 2022, Rosehill has given me so much more than an education; it’s taught me resilience and responsibility, given me friendships and mentors, and left me with unforgettable memories. But between these classes, assemblies, assessments and break times, the years have flown by – much faster than I imagined.

Being Head Boy has been one of the most challenging things I have done, yet it has also been the most rewarding. This year, I’ve been privileged to meet and work with many amazing people and represent our kura with pride.

Yet the most important thing that being Head Boy has taught me is this:

Your grades or ‘achievements’ do not define you, and don’t matter nearly as much as the kind of person you are or aspire to be. Contrary to what some may tell you, you don’t need to be the highest-achieving maths student or the best netball player. You just need to be the best version of yourself. Carry yourself with confidence, act with kindness, stay committed and work hard – and everything else will fall into place.

STUDENT REPRESENTATIVE

CATHERINE VEA

Being Student Representative was so much more than the fancy speeches, the badge and, of course, the photobooths. It was an opportunity like no other to personally connect with my peers, listen to their ideas and understand the experiences of students across our school.

At first, being one of the youngest people in the room was challenging. I sometimes questioned whether my ideas would hold the same weight as those of people with more experience. However, this role taught me that leadership isn't about being the oldest, loudest or strongest person in the room. It is about having the confidence to speak up, the willingness to listen and the responsibility to represent others. I also learned that even small contributions can make a meaningful difference when they reflect the needs and perspectives of others.

I take immense pride in knowing that I was trusted to represent the voices of my fellow students. Whether it was bringing forward concerns, sharing ideas or helping create opportunities for our school community, I learned how important it is to make people feel heard. Being able to contribute to conversations and see different perspectives come together was one of the most rewarding parts of the role.

This year has taught me lessons about responsibility, communication and leadership that I will carry with me into the future. I hope to use these experiences to become a better leader and continue making a positive difference wherever my future takes me.

STUDENT COUNCIL

CATHERINE VEA

BACK ROW: Harry Purdy, Tara Vainga, Saraia Morunga, Sufyan Adnan, Samreet Kaur, Hanna McCallion, Jasleen Chaudhary
2ND ROW: Payton Waru, Seb Waltham, Charlie Ackerstaff, Rania Dhillon, Garuth Athukorala, Tabitha McCartney, Aiden Sadler-Iles, Mrs M Powell (DP)
FRONT ROW: Alishba Mir, Kamya Desai, Jensyn Mayben-Hammond, Catherine Vea, Iori Lemuelu-Viliamu, Louise Kim, Mika Chan
ABSENT: TraciLee MacKenzie

2026 has definitely been a huge year. Firstly, we began releasing a monthly newsletter! This was the perfect way to give insight into what's happening at school, while celebrating our students' achievements. Our newsletter focused on school trips, sports, culture/arts, student life, and a student spotlight. Thanks to those who contributed to each edition!

We also introduced a Talent Show, hosted on the 31st July. This showcased the many talents of Rosehill students — from bands, to singers and dancers! We also collaborated with the Arts Committee, displaying the wonderful works from our art classes. This took a lot of planning and fundraising, which was mainly done through sausage sizzles and bake sales. Thanks to all of those who watched, helped, or participated in the show! We hope to see it again next year.

Our biggest event is our annual Rosehill Gala! The Council has been working tirelessly all year, in order to create a day that brings our community together. This year's Gala was full of amazing performances, unique activities, and delicious food. A big thank you to all of our helpers, and our Student Rep Catherine for all the behind-the-scenes work! We are also very grateful to our event sponsors, and support from both Mrs Powell and the board.

MĀORI LEADERS

JASMINE MINARAPA-MORUNGA *and* KAEO KING

BACK ROW: Rosie Tahitahi, Ike King
FRONT ROW: Kaeo King, Whaea Pare Matthews (Teacher), Jasmine Minarapa-Morunga

"Ma pango ma whero ka oti te mahi."
"If chief and worker pull together the job is done."

This year has been a wonderful opportunity to celebrate how Te Ao Māori continues to grow and thrive within our students and kura. Our rangatahi have embraced their culture, language and identity while developing knowledge and skills passed down through taonga tuku iho.

We were proud to take part in significant events, including Polyfest, pōwhiri for international students and Te Mauri Festival. A particular highlight was our House Haka Competition, which brought our kura together through waiata, haka, whanaungatanga and healthy competition. It was inspiring to see students stand proudly in their identity and showcase the knowledge passed down to them.

These experiences continue to strengthen Te Ao Māori within our kura and inspire our rangatahi to carry the kaupapa forward for generations to come.

As we end the year on such a high, we would like to once again thank you for all the love, support and courage that helps us run our kaupapa. No reira, e mihi atu ana ki a koutou.

PASIFIKA LEADERS

BACK ROW: Kalem Tamatoa, Miss Yamini (Teacher)
FRONT ROW: Faith Televave, Kalpana Tuitea, Adi Tunabuna

Kia Ora, Mālō lava, Talofa lava, Mālō e lelei, Ni sa bula vinaka, Kia orana, Fakaalofa lahi atu, Tālofa, Mālō ni.

This year has been a meaningful journey for the Pasifika Leaders of Rosehill College. It has given us the opportunity to represent the diverse cultures within our school and help create an inclusive space where everyone feels proud of their cultural heritage.

Throughout the year, we have worked to celebrate and promote our Pasifika cultures through Language Weeks, cultural activities, fundraising and school events. One of our biggest highlights was Fiafia Night, a night where we showcase all our cultural groups under one roof. Seeing students, staff, families and members of our wider communities come together has shown us the importance of culture and connection.

Our Pasifika Leaders have shown that leadership is not about standing above others, but standing alongside them. We are proud to carry the voices of our communities and grateful to everyone who has supported us throughout the year.

To our future Pasifika Leaders: lead with pride, serve with heart, and never be afraid to let your culture shine.

ACADEMIC LEADERS

DORISHA DEVI

2026 has been a very successful year for us, the Academic Leaders. We kicked off the year with THINK, a group for like-minded individuals who are looking for extra opportunities in the academic area to come together in a welcoming space. We were incredibly grateful for the great turnout and enjoyed our time getting to know everyone.

We also had the chance to hold Academic Week and organise events for students to participate in and win prizes for themselves and their house. Our biggest success from this week was STEM-EX, a Mathex-style competition where we incorporated science questions alongside mathematics. This was our first time hosting this event, and it was a huge success. We had many participants from each year group come and represent their house, challenge themselves, and compete for house points.

BACK ROW: Mrs A Minton (Teacher), Dorisha Devi, Maelynn Walmsley, Mrs M Powell (DP)
FRONT ROW: Asher Moratuwa Arachchige, Viraj Choudhary, Robert Purdy

During the week, we also held a general knowledge quiz, which was less competitive and allowed people to have fun while learning. We, as leaders, were also proud to hold a week-long writing competition, which received multiple entries that we thoroughly enjoyed reading.

We thank everyone who got involved in our events and hope 2027 holds just as many opportunities.

JUNIOR LEADERS

2026 has been an exceptional year for Junior Leadership at Rosehill College. This year, we doubled the number of Junior Student Leaders, creating our largest junior leadership team yet. With this growth came new opportunities, fresh ideas, and an incredible willingness from our students to step up, get involved, and make a difference.

Throughout the year, our Junior Leaders have demonstrated outstanding commitment to their Houses, our kura, and the wider community. From organising Junior Movie Nights to playing key roles in House events such as Swimming Carnival, Pavement Art, House Murals, and House Music Videos, they have brought energy, enthusiasm, and creativity to everything they have done.

BACK ROW: Joe Fu, Zoe Bouda, Arnash Chandra, Livia Pepper, TJ Tipene
3RD ROW: Maelynn Walmsley, Izadora Leong, Jayden Williams-Vehivehitau, William Foster, Ayaz Nishad, Aliyah Mansell, Kayla Anderton, Danae North
2ND ROW: Olivia Drower, Robert Purdy, Caleb Needham, Fenix Sala-Ainu'u, Dev Banga, Catherine Vea, Mrs M Powell (DP)
FRONT ROW: Pranavi Sharma, Leslie Abrod, Jack Hamilton, Miu Sakimura, Sahibjit Singh, Ava van Essen, Emery Mayall, Camryn Glover-Johnston
ABSENT: Kalem Tamatoa, Nitya Roshin, Ike King, Asher Moratuwa Arachchige, Rosie Tahitahi, Faith Televave

They have generously volunteered their time to support charity collections, Academic Week, new student inductions, and major school events including our Community Gala and Colour Run. Time and again, they have shown up, stepped forward, and led by example.

Our 2026 Junior Leaders have truly raised the bar for what junior leadership can look like at Rosehill College. It has been an absolute privilege to watch them grow in confidence, develop their leadership skills, and shine as positive role models for their peers.

ARTS COMMITTEE

The Arts Committee has had an exciting and rewarding year, celebrating the creativity and talent of our kura. Throughout the year, we have organised activities we are proud of. From Arts Week, to the Music Video Competition, to our biggest project, the school mural, we have had a full year.

Arts Week provided an opportunity for Rosehill talent to be shown in different forms. The creativity shown in the cupcake decorating competition was beyond what we imagined. This year's music videos used a modern approach, combining collaboration with individuality and sharing unique ideas.

BACK ROW: Sarah Huang, Arnash Chandra, Jin Kim
2ND ROW: Mr McMillan (Teacher), Ava van Essen, Kieran Sayers, Caleb Needham, William Foster, Celeste Thomson, Mrs M Powell (DP)
FRONT ROW: Emery Mayall, Chris Yu, Eva Prince, Addison Hall, Abby Jellie, Aleisha Stewart, Takayuki Kobayashi

Our greatest achievement was undoubtedly the school mural. This is more than a piece of art; it represents creativity, collaboration and school spirit. It was only possible through the hard work, long hours and ideas of our students, and it will remain a reminder of what can be achieved when we work together towards a shared vision.

We would like to thank every student who supported our events this year. Your enthusiasm and creativity made each initiative a success, and we should all be proud of what we have accomplished.

ROSEHILL COLLEGE

ENVIRONMENTAL COMMITTEE

AFSHAH ALI

The Environmental Committee's 2026 journey has been one full of learning and new experiences. As we look back on what we have achieved and learned, we can see how we have overcome many challenges along the way.

One of those challenges was when one of our most loved leaders left midway through the year, and we had to adjust to a big change. With the support of the committee students, we were able to do just that.

My leadership this year has also helped create new expectations for the committee, including spreading our wings and trying something new. One of the main aims of our committee was to collaborate with others and bring new ideas to Rosehill. For example, we collaborated with the Interact Club to hold a Ramadan fundraiser for an organisation whose mission connected with the Environmental Committee's goal of caring for our environment.

Through this event, we were able to raise awareness of Ramadan within Rosehill College and encourage people to think about supporting our environment.

BACK ROW: Mannat Chawla, Akshara Pal, Ravleen Kaur, Zainab Waseem, Niecel Eunice Panol, Saanvi Ajith, Wanessa Heng, Maryum Aziz
3RD ROW: Charlotte Speck, Nikita Kumar, Demira Virmani, Harper Taylor, Selvi Prajapati, Japnoor Kaur, Emily Demiri, Chini Balawan, Irae Avia
2ND ROW: Payton Waru, Mansirat Kaur, Charlie Ackerstaff, Zoe Jones, Gurbaz Dhaliwal, Steph Gallagher, Rosie Bermingham, Dhruvi Raval, Sanvi Patel, Mrs M Powell (DP)
FRONT ROW: Jasleen Chaudhary, Evaanshi Chand, Elly Kim, Iori Lemuelu-Viliamu, Hansika Sharma, Joe Fu, Afshah Ali, Rosemary Musarurwa, Vedanshi Arora, Divya Nandni, Jia Solanki
ABSENT: JJ Ybanez, Mahika Arya, Sara Bhatia, Marynicolette Campilan, Dylan Blackett, Baylee Cullen

EVENTS COMMITTEE

ARPIT BEHAL

The events committee kicked off 2026 with the planning of our Ball, and we planned and designed everything from the sashes and photostrips to the playlist and the menu; even custom-making 45+ unique centrepieces. This year's theme was "See The Light", inspired by Disney's Tangled – transforming our venue at Ellerslie Events Centre with extravagant flowers, candles and lanterns. The energy and excitement at Ball made it a highlight, creating lasting memories for staff and students alike.

2026 saw some new beginnings, including the start of our Leavers' Yearbook and since we welcomed juniors for the first time this year, we had the opportunity to host two, never done before, sold out Junior Movie Nights at the PAC. We also broke tradition this year, as the committee hosted Leavers' Night off-school grounds at the stunning Tote on Ascot. This celebration dinner gave our leavers a wholesome evening to come together and celebrate the end of our time at Rosehill. The 2026 Leavers' Gear was also fully designed by the committee.

The successes of this year wouldn't have happened without my committee and their dedication, as well as their willingness to work through breaktimes and afterschool. I'd like to thank Claire, Jasmeet, Elisha, Tamihana, Amelia, Chloe, Iori, Anna, Hanna, and the junior leaders. Also, a special thanks to Ms Oliver, Mrs Powell and Mrs Duckett for their support and oversight.

BACK ROW: Hanna McCallion, Anna Semerad, Amelia Duncan, Livia Pepper, Claire Main
2ND ROW: Miss Oliver (Teacher), Olivia Drower, Iori Lemuelu-Viliamu, Tamihana Starr, Maelynn Walmsley, Mrs M Powell (DP)
FRONT ROW: Leslie Abrod, Chloe Sorrill, Danae North, Arpit Behal, Jasmeet Kaur, Elisha Dollaga, Pranavi Sharma
ABSENT: Tj Tipene

DEBATE CLUB

LONG LIVE DEBATE!

YEARBOOK 2026

IORI LEMUELU-VILIAMU

Debate Club Chairman

As I come to my final year, I can't help but be amazed at all the changes around this school, for better or for worse. Debate has been one rollercoaster ride, and I am appreciative of the gifts I've been given in my time as Chairman.

Last time, I talked about the growth in the Debate Club, and I am glad to have seen that come to fruition. This year, we have made our mark, attending different competitions, including Model United Nations, Auckland Model Parliament and many more. We hosted a development day in August, sharpening our skills while fostering a safe and open environment.

This year also saw a change in TIC, welcoming Mr Duo Xu, who has been a great and bubbly personality to the rowdy bunch.

Upon reflection, this year proved to be transformative, and I have deep gratitude for my children of the corn (debaters), who never cease to bring different perspectives and emotions; the council, who helped keep the ship afloat; and Mrs Lamb, who has been the rock of Debate, without whom we never would have made it.

I depart in strength, knowing that democracy shall prevail when healthy debate is practised.

BACK ROW: Mr Xu (Teacher), Aarushi Shaji, Rosemary Musarurwa, Sanvi Patel, Mansirat Kaur, Adella Finestone, Zainab Waseem, Rayma Chand
2ND ROW: Youni Wu, Charlie Ackerstaff, Zoe Jones, Steph Gallagher, Borislav Hawkins, Rosie Bermingham, Vairaj Matharoo, Mrs Lamb (DP)
FRONT ROW: Hansika Sharma, Afshah Ali, Robert Purdy, Iori Lemuelu-Viliamu, Nikau Macpherson, Jensyn Mayben-Hammond, Kiara Chand
ABSENT: Nikolai Hawkins, Nitya Roshin

MUNA EVENT 2026

NIKAU MACPHERSON

Earlier this year, I had the opportunity to attend the 2026 Model United Nations Assembly (MUNA) at Rosmini College, sponsored by the Rotary Club. I was joined by my fellow students: Ioritana Lemuelu-Viliamu, Hansika Sharma, Afshah Ali, Charlie Ackerstaff and Jensyn Mayben-Hammond.

MUNA is a simulation of the real UN, where teams debate, discuss and vote on major issues such as human rights sanctions, refugee quotas, deep-sea mining and freedom of navigation. Charlie, Jensyn and I made up the Liberia team, while Iori, Afshah and Hansika comprised Cambodia.

As Liberia is a temporary member of the UN Security Council, my team, and more specifically I, had the immense privilege of joining the members representing each of the other 14 countries on the Security Council to meet and discuss the possibility of Iran being sanctioned.

Throughout the event, our teams delivered speeches before the whole assembly, formed multiple alliances with other nations, and responded effectively to criticism. By the end of the event, our two teams had mostly been on the side that won each vote. Cambodia even got a proposed amendment passed.

All in all, it was a memorable and rewarding experience for everyone involved.

SPORTS COMMITTEE A TEAM OF GREATS

HOLLIE IRELAND *and* ASH ANDERSON

Our 2026 Sports Committee team was nothing less than amazing. Made up of both juniors and seniors with a passion for sport, the team was led by our Head Girl, Hollie Ireland. Throughout the year, we shared laughs, ideas and, most of all, memories at our many events.

2026 was a successful year for the Sports Committee. We started with a bang at the annual Swim Carnival, which was a roaring success with over 300 sign-ups and the most student engagement the event had ever seen. The day was filled with swimming, laughter and lots of fun – a great way to start the year!

We were also part of many other exciting events. The Colour Run, organised alongside the Community Committee, was a day filled with fun, food, memories and, of course, lots of colour. We also hosted Green Shirt Day for St Patrick's Day.

A final thank you to Hollie, who led this team to success throughout the year. To the Sports Committee members, your efforts did not go unnoticed – we had a great year!

BACK ROW: Jack Hamilton, Jacob Shadbolt, Dev Banga
2ND ROW: Gino Drummond, Ethan Fletcher, Agam Dang, Mrs M Powell (DP)
FRONT ROW: Zoe Bouda, Ash Anderson, Hollie Ireland, Kayla Anderton, Aliyah Mansell

And to future Sports Committee members: do everything you can with all you've got.

Have fun and good luck!

2026 Sports Committee signing out!!

COOK ISLAND GROUP

TRACEY TAMIHERE

The Cook Island Group had an amazing start to 2026, with lots of interest during sign-ups and over 20 students attending our first practice. From this enthusiastic group, nine dedicated students committed to the journey: Crystallani, De'ja, Danielle, Nikki, Melanie, Destiny, Zeighani, Eve and Jayziah. The group was tutored by Mrs Tamihere.

Our group was made up of students from a range of cultural backgrounds, many of whom had never experienced Cook Island dancing before. We began practising in May for Fiafia Night, held on 21 August 2026. The students worked incredibly hard to learn the performance bracket and perfect each item through regular practice.

Our bracket consisted of four items: a turou (opening chant), the action song Taku Moeamoea, a 'ura p'au (drum dance), and Round the World, where members of the audience were invited to join us.

We were fortunate to have our talented drummers return for a second year and to borrow costumes from the Sir Edmund Hillary Collegiate costume designers. The students fundraised to provide a koha for our drummers and costume designers as a thank you.

Our Fiafia Night performance was a huge success. The performance came together beautifully, and the drums truly elevated the performance. It has already sparked interest from new students wanting to join next year, and we look forward to seeing the group grow in 2027!

DESI GROUP

Another successful year for our Desi Group!

BACK ROW: Sara Bhatia, Khushi Kaur, Sanvi Patel, Dhruvi Raval, Prahikritha Mishal, Gurleen Lekh, Saanvi Ajith
2ND ROW: Miss Yamini (Teacher), Lauren Lingam, Samaira Singh Shah, Prachi Sharma, Rania Dhillon, Diya Sharma, Seerat Kaur, Miss Hannah Fern (Teacher)
FRONT ROW: Vedanshi Arora, Mahika Arya, Livleen Kaur, Mannat Chawla, Rayma Chand, Navleen Kaur, Fiza Tofiq
ABSENT: Sneha Viju, Riya Naidu, Nitya Roshin, Samar Kaur, Kanna Nakagawa

We continue to grow, with over 20 talented dancers now part of our team. The group performed at Holi events before our junior dancers proudly represented the school at the annual Bollywood Showdown High School Dance Competition.
It was a huge moment for our juniors and a valuable opportunity to perform, build confidence and showcase their hard work on a larger stage. We then rocked the stage at both the RHC Fiafia Night and Diwali.
We are incredibly proud of how far this group has come and look forward to continuing to grow in the years ahead.

FIJIAN GROUP BULA FIJI!

ADI TUNABUNA *and* TEVITA NATEBA

Bringing Fiji to Our Rosehill Community

The Fijian Cultural Group is a wonderful way for students to celebrate and share the rich culture and traditions of Fiji. Through traditional songs, dances and performances, students come together to learn, practise and proudly represent their heritage.

Being part of the group is not only about performing. It is about building friendships, teamwork, confidence and a strong sense of identity. Students learn the importance of respect, cooperation and supporting one another. The colourful costumes, traditional movements and lively music bring the spirit of Fiji to our school community.

The Fijian Cultural Group also gives other students an opportunity to learn about Fijian culture and traditions. We are proud to share our culture with everyone and keep our traditions alive for future generations.

FILIPINO GROUP

RUSSEL DACUSAN

Joining the Filipino Group was more than just performing. It was a chance to represent the Philippines and share our culture with the school community, even though our group was formed at the last minute.

Our journey to Fia Fia Night was not easy. We started practising during lunch in Gym 1, eventually practising from Monday to Friday and even during the term break. From Tinikling with bamboo poles to our energetic modern dance, every practice brought new challenges. As the event got closer, we also practised after school, sometimes until 9 p.m.

There were moments when we wondered if we would be ready. However, after receiving criticism about our dancing, we became even more motivated. “We should show them what Filipinos can do” became our motivation. We made our own props, including salakot and pamaypay, and gave everything we had during practice.

Finally, seeing everyone on stage in traditional Filipino outfits, smiling and confidently performing, made all the late practices worth it. What started as a last minute group became something much more meaningful filled with friendships, memories, and pride.

We were proud to be Filipino, and even prouder to share it with everyone!

KIRIBATI GROUP

This year, a new jewel was added to the Pasifika treasures that took to the stage at our school’s annual Fiafia Night celebration: the Rosehill Kiribati Group.

The group is led with the resilience and fierce determination of our senior student, Tiranta Tiia. With thanks to the support, love, care and generosity of our Kiribati mothers and families of Rosehill, our students delivered a powerful celebration of the rich cultural traditions of the Kiribati people.

The group’s journey continued beyond Fiafia Night, with our students proudly representing Rosehill at Pukekohe High School at the end half of Term 4, where they shared their talent and culture through another memorable performance. These achievements are a testament to the dedication, courage and commitment of our students, who have worked together to build something truly special.

Looking ahead, the stars are bright. Our Kiribati students, parents and TIC, Whaea Kelly are already setting their sights on Polyfest 2027. This year has laid a strong foundation for that journey, made possible through the collective commitment of our students, families and school community.

To our Kiribati students and families, especially our wonderful mums, kam rabwa for your love, support, time and generosity. Thank you for sharing your culture with our school and for helping our students shine. We are incredibly proud of what you have achieved this year and excited for what lies ahead.

PUNJABI GROUP

BACK ROW: Mrs Kaur (Teacher), Khushi Kaur, Tashdeep Jattana, Gunkanwal Singh, Prabhnoor Singh, Miss Yamini (Teacher)
FRONT ROW: Rajvir Kaur, Gursharan Singh, Samreet Kaur, Kanveer Aasht, Navleen Kaur
ABSENT: Kavi Poonkundra

Our newly formed Punjabi Group is ready to shake things up with their energetic Bhangra and Giddha skills! Although they are new to the school’s cultural scene, the group has already attracted many enthusiastic members who are proud and ready to represent their culture.

Their first performance as a team was at the Miramira Dance Showcase, where they took the stage and shared their passion for Punjabi dance.
They then impressed the audience once again at our Fiafia Night!

SAMOAN GROUP

MR LEMUELU-VILIAMU

“O le ala i le pule o le tautua”

The path to leadership is through service.

After witnessing how far Maungalosa had come last year, we were determined to keep that momentum going. The year kicked off with immense energy as many new students signed up, eager to embrace their heritage, showcase their Samoan culture, and stand tall in who they are.

As the season progressed, however, our commitment was tested and our numbers naturally dwindled. Yet despite these hurdles, the spirit of Maungalosa never wavered. Those who stayed remained fiercely positive, leaning on one another through intensive practices across Terms 1 and 2 as we prepared for Fiafia Night and Gala Day. Their dedication extended well beyond performing; the time and effort poured into fundraising throughout the year proved just how united we truly are.

To our leavers taking their next steps beyond Rosehill College: carry this spirit of tautua with you, knowing that the service you gave to Maungalosa has equipped you to lead wherever you go. To our returning students: the torch is now in your hands to build on this legacy. Through every trial, this year proved that Maungalosa is far more than a cultural group; we truly embody aiga.

BACK ROW: Faith Televave, Hope Televave, Lina Schwenke Masoe, Ronise Tuilaepa, Tracey Saivaise, Siautu Alefaio, Saramanesa Alefaio
2ND ROW: Whaea Kelly (Library Manager), Taei Siaunuua, Kennedy Galuefa Levi, Matthew Day, Ali Ulae, Simon Bartley, Elohim Poutu, Mr Lemuelu-Viliamu (Teacher)
FRONT ROW: Malia Finau, Miatalda Sokhal, Frankie Pa’upa’u, Kalpana Tuitea, Yalena Fiapito, Sophie Taurerewa, Solosolo Filiga
ABSENT: Mythias Figota, Faalili Vaa, Miriama Kennedy, Vice Vaisola Panini, Madison Alefosio, La-Salette Hunt-Noue, Holly Pa’upa’u, Tracey Kalamelu, Matthew Broome, Christian Iosefo, Blake Pirie, Blake de Bruyn, Emily Iosefo Pese, Mark Matthew Dela Cruz, Blake Addyman, Blake Sanford, Elise Blake, Hope Levae, Faith Levae, Blake Hardinge, Blake Berking, Ané Nel, Lina Nooana

TE WHARE HAKA O PUKEROIHI

WHAEA PARE MATTHEWS

This year, Te Whare Haka o Pukeroihi stood as a beacon of culture and pride across Rosehill College. Our 30 rangatahi represented our kura with immense mana, leading pōwhiri for new students and staff at the start of the year, as well as welcoming International students alongside our Te Reo Māori classes throughout the year.

Our tauira embraced every opportunity - from supporting Papakura Marae to host a pōwhiri at the Takanini Sikh Temple, to leading Pōwhiri Whakatau for Table Tennis NZ across two kaupapa. On stage, we showcased our passion at Polyfest - Te Paparewa Māori, prepared for Te Ahurea Tino Rangatiratanga and Christmas at the Pā.

In Term 3, our mahi alongside Te Kaha o Te Rangatahi empowered our group through intensive wānanga. This deepened our connection to tikanga, built our tauira confidence, and forged a powerful sense of whanaungatanga.

BACK ROW: Huia Bamfield, Stevyn Corban, Ruby-Jay Elkington, Tehina Ratumu, Caydence Raina, Evangeline Wilson
3RD ROW: Brooklyn Tahi Martin, Cooper Curtis, Maddison Hogarth-Tromp, Twilight Tereora, Crystallani Vave, Ieisha Williams, Saraia Morunga
2ND ROW: Jaylynn Mackey, Layland Kingi-Wanihi, Jayziah Tamatoa, Israel Te Maro, Melanie Solomon, Tawhiri Silke, Whaea Pare Matthews (Teacher)
FRONT ROW: Kaeo King, Hine Withers, Ike King, Te Whetumarama Tepania, Kohu Afeaki-Repia, Jasmine Minarapa-Morunga, Kian O'Connell
ABSENT: Elisha Karena, Kayelim Tahi-Martin, Scarlett Rollinson, Bryce Elkington

To future student leaders: stand strong in your identity, hold fast to your tikanga, and lead with heart. Wear your piupiu with pride and let the voice of Pukeroihi continue to echo loud and clear!

TONGAN GROUP

Although small in numbers this year, our school Tongan cultural group was mighty in heart!

We have been incredibly fortunate to have our senior leader, Sarai Ramsay, take on the huge responsibility of teaching, coordinating and sharing cultural knowledge with our students. Sarai led our students through their preparations for Fiafia Night and performed alongside her brother, Robert Apikatoa at this term's Gala Day.

Behind every performance is a village of support, and we are especially grateful to the parents and fāmili who helped bring everything together. A special mālō goes to Sarai's mum, Flo Apikatoa whose dedication was extraordinary. From organising cultural attire for every student to teaching the meaning and movements behind each dance, Flo ensured our tau'olunga took the stage with pride, confidence and a strong connection to Tongan culture.

Mālō 'aupito, Aunty Flo, Sarai and the Apikatoa family, for sharing your time, love and knowledge with us.

DANCE

MS D BURGESS

Dance in 2026 began once again with the fantastic kaupapa offered by the Auckland Arts Festival. This year the delights and high-flying skills of circus, and the powerful story of a Samoan musician, provided students with rich learning experiences and diverse inspiration to begin the year.

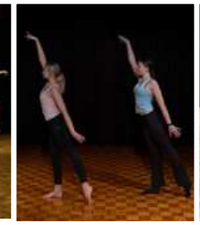

Tuakana-teina connections continued to strengthen this year, and dancers enjoyed opportunities to connect with both the local feeder schools and dancers in other year levels. These relationships continue to foster a strong sense of belonging and community within Dance at Rosehill.

Throughout the year, dancers have exemplified the Rosehill values of hihiritanga and rangatiratanga. While Miss B undertook further study that required time away from the classroom, students stepped up with maturity and ownership, supporting each other towards success and taking great responsibility for their learning. Their resilience, collaboration, and commitment have contributed to some fantastic successes and they brought incredible energy to the variety of performances this year had to offer. We look forward to seeing how dance continues to make moves through the Rosehill community.

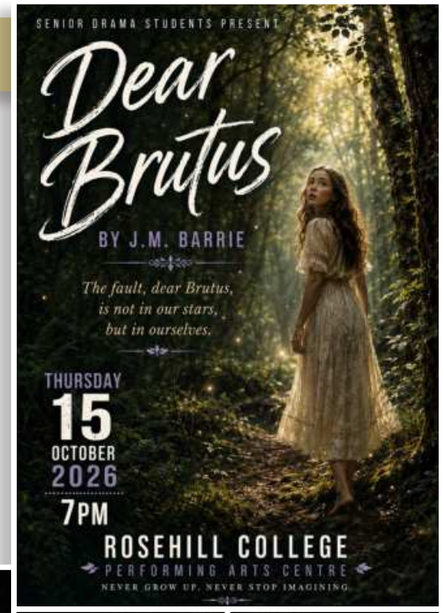

DRAMA

MR H AITCHISON

We had a lot of fun in Drama this year. In Year 9, we worked on Twelfth Night, a modern interpretation. The Year 10s invented their own reality TV shows and created some spectacular plays about ancient battles. Year 11 ākonga explored Māori Theatre. We placed a major emphasis on learning through enjoyment, which seemed appropriate for Drama. The curriculum emphasised the importance of manaakitanga, one of our school values, and I was delighted with how ākonga embodied it when working together.

The senior students staged a production of Dear Brutus by J. M. Barrie in Term 4. It was a humorous play about whether it would benefit people if they could have their lives over again and make different choices. I hope many of you were able to see it.

We also took a large group of students to the ASB Waterfront Theatre to see their excellent production of William Shakespeare's Macbeth. It was a dark tale of overwhelming ambition, megalomania and abuse of power – themes as relevant today as they were for Shakespeare. Everyone thoroughly enjoyed the performance.

ESOL

AMY SCOTT

Another Great Year at Rosehill College

It has been another successful year in the ESOL Department. Our wonderful ELLs (English Language Learners) come to us from countries all over the world, bringing unique cultures and experiences with them. They are passionate about sharing these with their peers and teachers, and have fun immersing themselves in all that Rosehill College has to offer. Many of these students participated in activities at school, such as performing at Fiafia Night in their cultural groups and fundraising for trips.

Success Through Connection and Motivation

One of the things we love most about our students is their eagerness to learn. Their drive and motivation set them up for success, and we encourage them to step out of their comfort zone to help them grow. We work hard to ensure our students reach their potential through structured classes, breaking down important information into manageable portions, frequent monitoring and assessments, and connecting with each student individually by getting to know them and supporting them.

We want to show our students that their identities are special, important and celebrated, and that they play an important role in their education and future.

GEOGRAPHY

YUCHENG PANG, NIKOLAI HAWKINS *and* DARIUS CAMERON-FOX

Geography: A Year of Exploration and Adventure

This year has been nothing short of an expedition. From maps and graphs that looked suspiciously like modern art to navigating the wilds of Rangitoto Island and collecting data in the field.

Year 12 Geography

Assessments were basically survival missions disguised as learning. One minute we were debating climate change actions like politicians; next, we were hiking Rangitoto pretending to be scientists while secretly racing to lunch – although the planned McDonald's lunch was cancelled due to traffic! Clipboards flew, data was collected, and somehow we turned all this chaos into grades. Classic 12 Geo efficiency.

After all the maps, debates and volcanic adventures, we've learned one thing: Geography is basically detective work with mud. We've mastered the art of pretending to understand contour lines and discovered that data collection often means chasing the wind with a clipboard. It's been chaotic, educational and somehow still fun.

Year 13 Geography

Our first two internals focused on stadiums in Auckland and Muriwai Beach. The trip to Muriwai to collect data was fun and informative, despite the rain, and helped us understand what makes Muriwai and Māori Bay unique.

We then completed a mapping internal about Rosehill College and worked on an internal about pirates. All in all, Geography has been rather fun, despite the occasional chaos!

HISTORY

BEYOND THE CLASSROOM

On 28 April, a group of Year 12 History students joined the Year 13 History class for an educational trip to the Auckland War Memorial Museum. The day provided students with the opportunity to engage with history beyond the classroom and connect their learning to real historical places, objects and sources.

Our Year 12 students completed a scavenger hunt, which was a great way to explore the Level 2 war-related galleries, memorial halls, research centre and other exhibitions. We ended the day by sharing insightful reflections on the impacts of various 20th-century wars, including the Vietnam War, which was one of our Level 2 History topics this year.

The Year 13 students explored 19th-century New Zealand through a workshop on the Waikato Wars, which deepened their historical knowledge and skills. They also accessed the Museum Library, where they were able to explore historical documents and books held within the Museum's official archives, as well as exhibits connected to their studies.

The Museum trip gave students the opportunity to engage with primary and secondary sources, develop their research skills, and see the past brought to life through authentic historical artefacts and exhibits. Most importantly, it reminded us that history is not simply something we learn from a textbook – it is all around us, and there are always more stories to discover.

LANGUAGES

MS W CHEN

The Languages Faculty at Rosehill College celebrates a year of learning, connection, culture and discovery. Our students learn Chinese, Spanish and, this year, Gagana Samoa, developing communication skills while exploring different cultures and identities.

Learning Chinese is fun!

In 2026, our Chinese students enjoyed opportunities to learn beyond the classroom. A major highlight was our Chinese Noho Marae, where students built meaningful connections between Chinese and Māori cultures through shared learning and cultural experiences. Chinese Language Week was another highlight, bringing the school community together to celebrate Chinese language and culture. Looking ahead, we are excited about our 2027 China Study Trip, giving students the opportunity to experience China firsthand and put their language learning into practice.

Spanish - Más que un idioma

Led by HOD **Mr P Moradi** and Mrs M Salina, the Spanish Department encourages students to become active, confident and enthusiastic learners while discovering the diversity of the Spanish-speaking world.

Gagana Samoa - O lau gagana o lou Faasinomaga

This year marks an exciting new chapter at Rosehill, with learning introduced across Years 9-13. Students are developing confidence in speaking, listening, reading and writing while discovering Samoan culture, traditions and values.

Across our Languages Faculty, we are proud of our students' progress and enthusiasm, and look forward to another year of learning, connection and discovery!

ROSEHILL COLLEGE

LEAP Learning Enrichment and Acceleration Programme

ASHER MORATUWA ARACHCHIGE

LEAP is the Learning Enrichment and Acceleration Programme, designed for students who enjoy creative problem-solving, critical thinking, and working collaboratively on challenging projects. It encourages you to think differently, experiment with ideas, and push your skills further.

LEAP was definitely my favourite class this year. From designing a magpie-deterrent device, to completing two six-week challenges, to our final Origin of the Tooth Fairy assignment, I felt engaged and proud of the work I produced. Each project pushed me in new ways, and I enjoyed seeing my creativity and problem solving improve. Even though I usually prefer working alone, collaborating with my friends made the class more enjoyable and helped me grow more confident in group settings.

This year, Rosehill College also participated in Tournaments of Minds (TOM), a competition where teams solve complex challenges and present solutions under strict criteria and time limits. Through LEAP, four teams competed at the Regional Finals, with three qualifying for Nationals and our Year 11 and Year 10 teams earning Merit and Honours. Being part of a class that performs at such a high level has made me proud to be in LEAP and motivated me to keep pushing myself next year.

LEARNER SUPPORT

ZAYLAND EDWARDS *and* SOPHIE CLOUGH

Junior and Senior Foundation Classes

It has been a busy and rewarding year in Foundations. Our trip to the museum and Ambury farm were our highlights of the year.

In Junior Foundations, we learned about habitats and created dioramas to share our learning. We made papier-mâché characters, baked muffins, and grew vegetables in our garden before using our produce to make hamburgers. PE and sports have also been a favourite part of our year.

In Senior Foundations, we developed our teamwork, self-management and resilience skills. We have worked hard, with most students on track to achieve the Foundations Skills Certificate Level 2. Next year, we will begin working towards Level 3.

We are proud of everything both classes have achieved and look forward to creating more memories together.

"What makes Learning Support special is our sense of unity. We look out for one another, encourage and support each other through challenges. M4 and M6 feel less like separate classrooms and more like one big family.

A special part of our family is **Sandy Newman**, who is always there to help. Learning Support has given us a place where we feel comfortable and supported — a place we are proud to call home."

MĀORI DEPARTMENT

YEARBOOK 2026

"Mā te kimi ka kite, mā te kite ka mōhio, mā te mōhio ka mārama."

Seek and discover, discover and know, know and become enlightened.

Ko te Atua te piringa Ka puta, ka ora Rire rire hau, Paimaarire

Nau mai, hoki mai, Matua Hemi, who joined our kura this year as a kaiako. A former tauira and kapa haka leader, he brings a deep connection to our kura, with a wealth of knowledge and experience. We welcomed back **Whaea Pare**, who began her journey in the Māori Department in 2013, returning as a kaiako teaching our Year 9 cohort. We are excited to learn, grow and strengthen our department together.

We continue to embed Te Ao Māori and tikanga Māori across our teaching and learning, creating authentic experiences reflecting who we are and our values.

We hosted a pōwhiri for our international students alongside our rōpū kapa haka providing an authentic cultural experience while demonstrating our commitment to manaakitanga, whanaungatanga and belonging.

Our ākonga also explored mau rākau, developing an appreciation for its discipline, focus and connection to hauora. During Matariki celebrations, students learned tītītōrea, shared kai tahi and created kōauau from clay, strengthening their connection to mātauranga Māori through creativity and collaboration.

At the heart of our work is nurturing lifelong learners who see their identities reflected and valued.

TE WHARE KIMIORA

Peer Support Training Day, 2025

Filling the day with laughter, plenty of creativity and perhaps a little chaos, our Peer Support Training Day of 2025 brought together Year 11 and Year 12 students to discover what it really meant to be and become a leader. Through hands-on challenges, students explored different leadership styles, navigated the joys (and frustrations!) of working as a team, and reflected on the kind of leaders they hoped to become. More than anything, this day was about connection. It was about building leaders ready to welcome, encourage and walk alongside our newest students in 2026.

Haerenga, Semester 1, 2026

Haerenga is a programme supporting students as they navigate the ever-changing demands of high school.

Across two terms, students who may once have been strangers—or simply familiar faces passing in the corridor—shared experiences, laughter and challenges and, along the way, formed new connections. They explored not only themselves but also shared in the journeys of others.

Reflecting on their learning, each student put paint to canvas, capturing something meaningful to them. Some painted memories and pieces of themselves; others created something destined for someone they cherished. Though small, their paintings represented what they deemed to matter most.

COMMERCE

JUNIORS

BUILDING FUTURE ENTREPRENEURS

Junior Commerce students have been exploring the exciting world of business through engaging, real-world learning experiences that develop creativity, confidence and entrepreneurial skills.

A highlight of the year was Dragon's Den, where students worked in teams to create innovative business ideas and pitch them to a panel of "investors". This challenge encouraged them to think creatively, solve problems, understand customer needs and confidently communicate their ideas.

Students also put their business knowledge into action during Market Day, transforming the school into a vibrant marketplace. They designed products, managed budgets, promoted their businesses and interacted with customers. Through this experience, students gained valuable skills in teamwork, financial literacy, customer service and decision-making.

Another exciting area of learning was The Future of Money. Students investigated how technology is changing the way we spend, save and invest. Their presentations explored ideas such as digital wallets, artificial intelligence in banking, cashless societies, wearable payment technology and digital currencies. They were challenged to imagine what money and financial transactions might look like in the future.

These experiences have helped students develop the knowledge, skills and mindset needed for an ever-changing world. Junior Commerce is inspiring students to become innovative thinkers, confident problem-solvers and the entrepreneurs of tomorrow.

SENIORS

SENIOR BUSINESS AND ACCOUNTING: PREPARING FOR THE FUTURE

This year, students have enjoyed a range of authentic learning experiences that have brought business concepts to life and developed valuable skills for the future.

A key highlight was the Level 2 Business Studies Market Day, where students became entrepreneurs by developing products, managing budgets, promoting their businesses and selling to customers. The event gave students firsthand experience of running a business while strengthening their teamwork, communication, problem-solving and financial management skills.

Our Level 3 Business Studies students extended their learning beyond the classroom through a visit to a leading agribusiness. The trip offered valuable insights into how businesses respond to changing consumer demands, sustainability challenges and emerging technologies. Students explored the importance of product innovation, efficient processes and future-proofing strategies that help organisations remain competitive in a rapidly evolving marketplace.

Accounting students further enhanced their understanding of how financial information supports planning, decision-making and business growth. By applying classroom knowledge to real-world examples, they gained a deeper appreciation of the role of accounting in successful businesses.

These experiences have inspired students to think creatively, embrace innovation and develop an entrepreneurial mindset. Through practical learning opportunities, our Senior Business and Accounting students are building the confidence, knowledge and skills needed to thrive in an increasingly dynamic and interconnected world.

COMMUNITY COMMITTEE

NICOLE CHO

This year was a massive year for the Community Committee, and we are incredibly proud of the impact our school has made on the wider community. As a committee, we strive to make giving back accessible and enjoyable for everyone, and it has been so rewarding to see our school get behind these initiatives.

We started the year strongly with Pink Shirt Day, bringing our school together to stand up against bullying. We also supported Jammies for June, where senior students came to school in pyjamas and helped support families in need during winter. Daffodil Day was another highlight, where we helped raise awareness and funds for cancer support. Seeing so many people get behind these causes showed just how much our school community cares.

Our biggest highlight was the 40 Hour Challenge, where the school community came together through events such as a leaders' bake sale, mufti day and the challenge itself. Thanks to the incredible participation of our students, we raised an outstanding $9,000.

Alongside the Sports Committee, we also ran a community fun run at school during Youth Week. It was fantastic to see so many students, staff and community members getting involved, enjoying the day and raising money for Canteen. Looking back on the year, it is incredible to see what a big difference our school can make.

CHINESE

WENDY CHEN

Learning Chinese at Rosehill College is fun!

Learning Chinese characters can be logical and easy when students apply what they learn in class. In 2026, students enjoyed many opportunities to experience authentic Chinese culture and practise Chinese in real-world contexts.

Our after-school Chinese Kitchen gave students the chance to learn how to cook simple but delicious Chinese food while having fun together.

Our Chinese Noho Marae was another highlight, building connections between Chinese and Māori cultures. Students enjoyed Chinese character hunting, a Chinese restaurant experience, calligraphy, dumpling making and more.

During Chinese Language Week, students took part in three-language book readings, bracelet making and Chinese movies. The highlight was our colourful Chinese Fashion Show, which brought excitement to the school.

We also added a Chinese flavour to Fia Fia Night with our Kung Fu Fan performance.

Looking ahead, we will continue creating opportunities for all students to learn Chinese, explore culture, build connections and develop confidence. Our 2027 China Study Trip will offer students the chance to experience China first-hand, while fundraising is underway to support this exciting opportunity.

Chinese at Rosehill is more than a language—it is about fun, culture, connections and opening doors to the wider world!

ZAINAB WASEEM Year 11

"Two Sides, One Coin!"

"Two sides, one coin," she whispered. The rain responded by pelting down heavier, soaking both Bria and Atlas to their very cores. The chill, however, did little to extinguish the roaring flame in Bria's heart; she was ecstatic. It was unlikely that Atlas would refuse her confession, as he'd been her ride-or-die since elementary school. However, the way his breath hitched and brows furrowed in confusion made Bria's excitement tank. The next words that escaped his lips would make or break their relationship. "Bria, what are you trying to say?" He asked, looking puzzled. "Are you confessing to me?" She nodded, beaming up at him. The rain grew infinitesimally heavier and Bria swore it felt as if the rain gods were foreshadowing her despair. "I don't like you back, Bri," Atlas frowned. "I couldn't ever like you. You're my best friend, but we have nothing in common. You don't like anything I like, and we're just not compatible." Her heart cracked, dousing the flame in ice cold water. "Ever?"

"Ever. I mean, why would I like you?" "I thought...I just..." she stammered. "I thought you liked me back since... you know. We've known each other for years, Attie. You always buy me food, walk me home and we have talked about relationships. I thought I was your ideal girl." "You? Ideal? Gosh, no," he shook his head frantically. "If I ever had to pick someone, Bri, it'd be someone else. Not you. You're...not in my league." The waterworks began then, and Bria thanked whatever godly power was in the heavens that it was raining so he couldn't see her cry. Atlas stared at her for a second more, noticing the redness in her eyes, but he made no move to apologize. Then, he turned and left, a strange stiffness in his posture that wasn't present before. A week. A week of crying. A week of ice cream. A week of staying cooped up in her room, bunking school and yelling at her mother. By the next week, she'd managed to drag herself out of her nest, style her hair into a neat ponytail and drive herself to school. Anya and Marilynn met her at the gates and listened intently as Bria recalled the story of last week to them. "What a jerk!" Marilynn scoffs. "He can't just up and dump you like that!" "Mare, they weren't dating," Anya frowns. "But I agree. He rejected you too rudely. It was totally out of pocket." Their words sounded hollow to Bria. The poor girl had already began researching monasteries to live in once she graduated, since she was destined to die a virgin. "-And...Bria? You still in there?" Bria gave a little participatory nod. "Oh my gosh!" Marilynn suddenly gasped, surprising Anya and snapping Bria out of her daze. "That bum! How dare he show his face around school?" Anya frowned, nudging Bria's side. "He's coming this way, Bri." She'd barely finished her sentence before Atlas strode up to the girls and offered Bria a small smile, the same one she'd fallen for. Bria felt a pang of hurt in her heart as the events of a week prior filled her head once more. Before they got out of hand, she shooed them away and sighed audibly. "Hey Bri," Atlas's smile brightened. "Want to get ice cream with me?" Bria frowned. "No." The refusal made Atlas stiffen. He'd never been turned down by her before. It...it sort of hurt. Or maybe, he thought, the tugs at my heartstrings have to do with an undiagnosed medical condition. I couldn't possibly enjoy Bria's company that much. "Okay. Whatever," his tone was now indifferent, but emotions raged inside of him in a flurry of anger, hurt and confusion. "I'll get ice cream with Maya."

Bria hummed and turned away, walking away with Anya and Marilynn. Atlas stood in shock, hating every emotion that swirled internally. As the months passed and the distance grew larger and larger, Atlas slowly came to realize he had taken all they had for granted. He didn't realize he had feelings for Bria until it was too late and the chasm between them had grown to worlds apart. Still, his mind and heart pushed. Pushed for rekindling. Pushed for her attention. Pushed for her. Anything to do with Bria. The problem was, she didn't seem to want anything to do with Atlas. And that? That hurt. So that afternoon when school got out, he ran to the flower shop and bought her favorite flowers, delivering them to her doorstep before he left for school. He found them returned at his doorstep when he returned. He bought her a Build-a-Bear and put a funky pop song in it, giving it to her personally. Bria stared at it and handed it back without even pressing the button. He tried writing her love notes, apologizing for his cruel words and professing his feelings. They came back with 'returned to sender' written in bold on them. Everything Atlas did, he felt was useless. That he wasn't going to get anywhere, but he couldn't let that happen. Albeit he had fallen late, but he had fallen much harder. He missed her scent of vanilla and the warm hugs he recieved whenever he saw her. He missed her voice and her snorty laugh whenever he told a stupid joke. He couldn't lose her now, because of his own wrong doings, and he was hell-bent on correcting them. Bria was intercepted on her way home from school. Atlas Pierce stood at her doorstep and stepped forward when he saw her. "Bria," he rasped. "Wait. Please, let me explain myself." She tried to push past him but he grabbed her wrist. His eyes were wet and red-rimmed as she looked closer, and it softened some part of her that still loved him. "Okay. Five minutes." Atlas breathed a sigh of relief and sank to his knees. "Bria, I'm so sorry. I know it doesn't fix anything or erase my words from your mind, but I regret them. I regret them every moment of my day. I'd gotten so used to your presence, so addicted to it, that I didn't realize I'd fallen for you. When you confessed...I thought it'd ruin everything. Our phone calls, our nightly walks. I just...I was scared. But I realize now that I was wrong.." Bria listened quietly. Annoyingly, warmth bloomed in her chest like flowers bloom in the spring. Atlas continued his speech - one that felt genuine but practiced. "...And I just wanted to say that I don't like you, I love you. I'm sorry I didn't realize it earlier," he finished off, and by the end of it, his voice was a breathy murmur.

Bria pulled him up gently, breathing heavily. At some point in his speech, it had began to rain. This felt like a full circle moment, so Bria did the only thing she felt was appropriate. She slapped him. Then, she cupped his face and kissed him.

SHYLA TE MARO Year 9

"B Block Fire"

What is Māori class even for? Sure, It'd be good to familiarise myself with my culture's language, but how will this benefit me in 10 years time? I mean, only a handful of kiwi can speak te reo māori fluently. Besides showing off at powhiri's, how else does the language assist them?

As I pick at my dry, sandy skin, I start to wonder even more. Out of the 28 students here, who will actually remember this. I know for sure I won't. I prove the statement to be true when a crash happens in the class below and I'm the first one at the window.

Arsonists. They've been going from school to school for months now. For some stupid reason I never thought that they'd go for Rosehill College. To be fair, none of us did. Our school only opened 28 years ago. To think that it'd be known enough to be one of the arsonists hits would be a shot in the dark.

Suddenly, the class is enveloped in heat. Panic arises quickly, classmates scampering over each other. Only now does the room seem so small. It takes about twelve minutes for the flames to hit the second floor. By then, we're all crowding the middle of the classroom.

I observe the on-going scene around me. Some have their hands thrown over each other. Others stand lonely in dismay. We spare no effort as we wait things out, endeavouring the blazing heat.

I feel a switch in energy at the sound of approaching footsteps aiming towards our class. The sound sends us flying out of one of the doors. The teacher calls out in conflict but he's shortly silenced by something. I make this out to be the arsonists.

Once I hit the end of the stairs my feet pounced to the last door. Shrieks from Māori class rain down. Outside the burning building, I'm welcomed with partly fresh air. The smoke envelops all of B block and I question how the fire hadn't caught up to us.

Only now, with the gift of possible safety, do I wonder what could've caused those shrieks. I've seen on the news what those arsonists are willing to do. The horror they've done to innocent bystanders who've stood in their way. Finally, I let the pieces fall into each other. My face falls to my palms at the realisation. Shrieks, as in plural. Yes, I know the stubborn Mr Woods who refused to follow the running crowd would now be fated to death. But, who else?

The SLT members collect all of the surviving students and teachers, leading us to the rest of the school. Meanwhile, the cops make their way to search B block. I don't know whether or not what they're looking for is survivors or the arsonists, but I do hope they find one of the two.

Once we've made it to the field I count heads of the people from my class. Besides Mr Woods there's a handful of students. Cassie, Mike, Aaron, Baylee and Kruise. For hours, as we wait for the cops to return, I wonder what could have happened to hold all of them back. Another thought circles through my already corrupted mind. I knew them all. All of them. Cassie's birthday was only four weeks ago, Mike's one was coming up this May, Aaron and Kruise loved theories and believed in the Big Bang, and Baylee, Baylee was a singer. All of these people have granted me memories, I've talked to all of them. Even Mr Woods, although he had his moments, was by far a favorite teacher of mine. Suddenly, there was a round of applause rushing through the crowd around me. I swing my head back to see what's causing the commotion. The cops lead a pack of what I make out to be all of the remaining survivors. Further behind them I see the arsonists, getting thrown into the back of a police van. It's crazy really, a bit of a butterfly effect, only four men is what it took to commit all of the crimes. A rush of relief ran through my veins and along with my class and four others were all running towards the pack. Mr Woods, Aaron, Cassie, Mike, Baylee and Kruise, all returned. All safe. The van the arsonists are in drives away and I realize maybe all of this happened for a reason. All of this, if not had happened, the arsonists wouldn't be in that van right now. Relief is all I can say, and I'll never complain about another māori lesson again.

INTERACT

DORISHA DEVI *and* CHARLOTTE BELLIS

The Interact Club had an extremely successful year in 2026, both in terms of membership growth and fundraising, raising over $2,000 through various events.

This year, we continued some of our traditional fundraisers, including Valentine's Day, where we sold baked goods, teddy bears and balloon flowers; Easter, where we sold chocolate bunnies alongside a raffle; and our Mother's Day bake sale. We also partnered with Rotary to hold a sausage sizzle, followed by 'Lollies for Lifesavers', where we sold lolly bags, and finished the year with a Halloween raffle.

The money raised from these fundraisers was donated to multiple charitable organisations, including The Fred Hollows Foundation, Women's Refuge, Jammies for June, Christmas Box and Rosehill College's Hardship Fund.

Thanks to Rotary, a few lucky Interact members were given the opportunity to attend RYPEN camps. There, they developed leadership skills, challenged themselves and connected with others.

A huge thank you to Mrs Duckett and our amazing members for their creativity and hard work throughout the year — we couldn't have done it without you! We look forward to seeing what 2027 will bring for Interact.

INTERNATIONAL

NHI DINH HOANG VUONG

Kia ora, my name is Nhi Dinh Hoang Vuong, and I am from Vietnam.

It is my honour to be here as an International Student Leader for 2026. Time has passed so quickly that I can't believe it is already my final year at Rosehill College.

First of all, I would like to say a huge thank you to all the teachers and friends who have supported me throughout my study abroad journey, especially Mrs Henwood and Mrs Booth.

As a student leader, I have had the opportunity to support other students and meet and connect with people from different countries. I have also been involved in House activities, including Arts Week and haka training. These experiences have helped me become more confident and develop a deeper understanding of Māori culture.

I am truly grateful for the friendships, opportunities and unforgettable memories this position has given me. They have helped shape me into the person I am today. I will always look back on my time at Rosehill College with gratitude and cherish the memories I have made here.

Thank you.

Nhi Dinh Hoang Vuong, from Vietnam.

LIBRARY

WHAEA KELLY

From books and writing to challenges, competitions, and loads of literacy events to get into, our library has been buzzing with creativity, connection and, most importantly, student voice.

A huge ngā mihi nui to our generous sponsors: Manukau Lock & Alarms, Super Plumbers and the team at Aro Electrical. Your support helps us create meaningful opportunities and memorable experiences for our ākonga.

Our Year in Highlights

- Our Staff: Whaea Jenna, graduated with her Diploma in Library and Information Studies, and we "officially" welcomed Mal Fanene to the team.
- Writers Club: launched an inter-school pen pal club, sharing their voices through letters and writing competitions.
- Reading adventures: 30 students attended Auckland Writers Festival, while junior students competed in the regional reading competitions.
- NZ Book Week: Students enjoyed a visit from renowned Kiwi author David Riley, and a book character dress-up competition.

And now, we end where everything in our library begins: with our students voices.

IORI LEMUELU-VILIAMU

"Being a Librarian has been extremely rewarding and has provided me with a comfort unlike any place in this school. It is essentially the meaning of home and the great mark it leaves cannot be ignored, being an experience or really a home for the rest of us. Thank you to this family who have given me more than I can put to words, my love to our matriarchs who have grounded me and to the student librarians who have kept me going. It's true when they say that home is where the heart is, because I have never known such a home like the Library.

Kia mau ki te tokanga nui-a-noho"

KAPA HAKA

Te Whare Haka o Pukeroihi, would like to acknowledge the dedication, passion and energy our rangatahi bring to practice each week. Kapa Haka is more than performance — it's about identity, whanaungatanga, and celebrating te ao Māori. Thank you our tutors, support team, school staff and especially our whānau for your support.

2026 EVENTS:

Polyfest - Te Paparewa Māori, Te Mauri, Te Ahurea Tino Rangatiratanga, Te Ahurei, Table Tennis NZ (Pōwhiri), Papakura Marae - Xmas at the Pa, and other community events.

We welcome all students wishing to join, learn and represent our school with pride. *No prior experience is needed, just bring your enthusiasm!*

Nāu te rourou, nā taku rourou, ka ora ai te iwi. (With your food basket and my food basket, the people will thrive).

Ngā mihi nui,
Whaea Pare Matthews.

MUSIC DEPARTMENT

MR EDMONDS

2026 has been an exciting and memorable year for the Rosehill College Music Department. With more than 300 students involved across Years 9–13, Music continues to be a vibrant, diverse and inclusive part of life at Rosehill.

Despite relocating the department this year, our students have embraced every opportunity to perform, create and develop as musicians. From rock, R&B and funk to jazz and Pasifika music, students have explored a broad range of musical styles while building confidence, creativity, resilience and independence.

Our performance groups have achieved fantastic results throughout the year. Lamexca, Slim Jims and Poly Echoes represented Rosehill College in Smokefree Rockquest, while Poly Echoes reached the finals of Tangata Beats. The Rosehill College Band represented the school at the KBB Music Festival, and Aiden Sadler-Iles performed at Stand Up Stand Out.

These achievements reflect the dedication and enthusiasm of our students, who continue to challenge themselves beyond the classroom and embrace the opportunities that performance provides.

From classroom learning to major performances, 2026 has demonstrated the strength and diversity of Music at Rosehill. We look forward to continuing this momentum and inspiring even more students to discover their voice through music.

BIG BAND

MR EDMONDS

The Rosehill College Band had an exciting year of growth, musical development and performance. Bringing together talented students across a wide range of instruments, including flute, clarinet, saxophone, trumpet, cornet, trombone, guitar, bass, drums and piano, the band is developing into a confident and versatile ensemble within the Rosehill College Music Department.

This year, the band has embraced contemporary jazz while continuing to explore iconic pieces from the jazz repertoire, including Take the A Train, Puttin' on the Ritz and Take Five. Their performances showcased strong musicianship, creativity and improvisation, alongside the teamwork and enthusiasm that made playing in an ensemble so rewarding.

Under the direction of HOD Music and Music Director Mr Ethan Edmonds, students demonstrated impressive development, with student leadership playing an increasingly important role in the band's success.

BACK ROW: Maelynn Walmsley, Minuka Wijeyasinghe, Flynn Wilson, Steph Gallagher, Jeffrey Yuen, Amya Sharma, Alex Stevens
2ND ROW: Katherine Granada, Lam Nguyen, Kartik Rohilla, Ben Frost, Caleb Needham, Sonay Ugra, Slaine Gallagher
FRONT ROW: Ayush Rathnayaka, Joe Fu, Asher Moratuwa Arachchige, Aiden Sadler-Iles, Robert Purdy, Alisha Sardana, Leslie Abrod
ABSENT: Cale Jordaan, TraciLee MacKenzie, Mr E Edmonds (HOD Music)

The band proudly represented Rosehill College at the KBB Music Festival on 13 August, before taking to the stage again at the One Night Only Showcase at Hawkins Theatre in October.

With their energy, commitment and passion for jazz, the Rosehill College Band is proving that the future of music at Rosehill is in very capable hands.

SMOKEFREE ROCKQUEST AND TANGATA BEATS BANDS

POLY ECHOES

Robert Purdy, Abby Jellie, James La Trobe

ABSENT:
Mr D Tornquist (Music Dictector), Ms A Poelman (Teacher)

"Play loud. Dream big. Make some noise."

CONTEMPORARY

MR TORNQUIST *and* MS POELMAN

Rosehill College Musicians Shine at Rockquest and Tangata Beats 2026

Rosehill College's talented young musicians made a strong impression at the 2026 Smokefree Rockquest Manukau Heats, showcasing their originality, confidence, and passion for music.

The Slim Jims, Lamexca, and Poly Echoes each delivered outstanding original performances that highlighted their distinctive musical identities. The Slim Jims energised audiences with their infectious funk-rock sound, while Lamexca impressed with powerful pop-rock anthems and engaging stage presence. Poly Echoes brought a fresh fusion of pop, R&B, and reggae, combining smooth harmonies with irresistible rhythms. All three bands demonstrated impressive musicianship, authentic songwriting, and dedication.

Poly Echoes continued their success at Smokefree Tangata Beats 2026, achieving a historic milestone for Rosehill College. Their original compositions blended rich Pasifika influences, heartfelt Samoan lyrics, and powerful cultural storytelling, creating a sound that celebrated their identity and heritage.

Competing against talented young musicians from across Auckland, Poly Echoes earned a place in the Regional Final, becoming the first Rosehill College band to achieve this distinction at Tangata Beats.

These achievements reflect the creativity, commitment, and cultural pride of Rosehill College's ākonga. From the diverse musical styles showcased at Rockquest to Poly Echoes' groundbreaking success at Tangata Beats, our students continue to demonstrate the strength of original music and the importance of celebrating identity through artistic expression.

Congratulations to all three bands on their achievements and to Poly Echoes on making Rosehill College history!

TURNING IT UP: RHC MUSIC 2026

Rosehill Music Department Collaborates with International Producer Mazbou Q

The Rosehill College Music Department continues to create outstanding opportunities for our young musicians by independently coordinating with internationally renowned music producer Mazbou Q to provide professional songwriting feedback for our aspiring singer-songwriters and bands preparing for the Smokefree Rockquest and Smokefree Tangata Beats competitions.

This exciting initiative aims to connect students with industry expertise, helping them refine their original compositions, strengthen lyrical content, and develop their performance skills to a professional standard. The collaboration reflects the department's ongoing commitment to fostering creativity and supporting students as they pursue excellence in New Zealand's premier youth music competitions.

While the in-school songwriting workshop is currently due on September 7 and 8 involving the New Zealand Music Commission, music students and staff are enthusiastic about the opportunity for Mazbou Q to guide our singer song writers. Participants will gain valuable insights into the songwriting and music production process from one of the industry's respected professionals.

The Rosehill College Music Department looks forward to welcoming Mazbou Q to our kura and continuing to provide authentic, real-world learning experiences that inspire the next generation of New Zealand musicians.

Local Talent Shines at Hawkins Theatre Gig 2026

The Hawkins Theatre Gig 2026 was a fantastic celebration of local musical talent, independently organised and promoted by the performers themselves. Through months of planning, rehearsing, and self-management, the artists delivered an entertaining evening to a near full house.

The concert featured solo singer-songwriter Aiden Sadler-Iles from The Slim Jims, alongside performances by bands The Slim Jims, Lamexca, and special guests Veil (the winners of the 2025 Manukau regional final of Rockquest). Together, they showcased an exciting mix of original songs and well-loved covers across a range of styles, including rock, stadium rock, and post-grunge influences inspired by bands such as Pearl Jam and Foo Fighters.

Aiden impressed audiences with his confident acoustic guitar accompaniment and continued growth as a vocalist, while every act demonstrated commitment, teamwork, and a passion for live performance.

The audience responded enthusiastically throughout the evening, applauding the performers' dedication to music, creative expression, and self-promotion. The success of the Hawkins Theatre Gig highlighted what can be achieved through initiative, perseverance, and collaboration, making it a memorable night that celebrated the strength and diversity of our local music community.

Aiden Sadler-Iles Takes on Stand Up Stand Out

Rosehill College musician Aiden Sadler-Iles, a member of The Slim Jims, embraced the challenge of competing in the 2026 Stand Up Stand Out Solo Singer Competition and the Original Song Competition with determination and resilience.

In preparing for the event Aiden put in many hours of writing, rehearsing, and refining his original songs. Accompanying himself confidently on acoustic guitar, Aiden presented music inspired by the post-grunge rock style of influential bands such as Pearl Jam and Foo Fighters. His performance highlighted solid instrumental skills and a growing confidence as a singer-songwriter.

The judges acknowledged his commitment and musicianship while providing valuable feedback to support his continued development. They encouraged Aiden to further strengthen his vocal delivery, develop a more distinctive songwriting voice, and continue exploring ways to create an individual musical identity.

Competing at this level is an important learning experience, and Aiden demonstrated perseverance and a willingness to perform his own original music before a live audience. His dedication to improving his craft reflects the spirit of creative growth, and we look forward to seeing how he continues to develop as a musician in the future.

Excel School of Performing Arts Brings the Rosehill College Hall to Life

The Rosehill College Hall came alive on Thursday lunchtime, 26 August 2026, as the Excel School of Performing Arts delivered an exciting 40-minute showcase from 12.50pm to 1.30pm.

The performance featured an impressive mix of live music bands, dancers and cultural performances, providing students and staff with an entertaining and energetic lunchtime experience. The variety of performances showcased the commitment, talent and preparation of the performers, with each group bringing its own style and personality to the stage.

The performers were very sharp, refined and accurate, demonstrating excellent preparation and a high level of performance discipline. The live musicians delivered confident performances, while the dancers displayed precision, energy and strong stage presence. The cultural performances added further colour and diversity to an already vibrant programme.

The audience responded enthusiastically throughout the showcase, with a keen and appreciative crowd creating a fantastic atmosphere in the Hall. The strong reception reflected the quality of the performances and the enjoyment generated by the students on stage.

It was a highly successful lunchtime showcase and a wonderful opportunity for the Excel School of Performing Arts to share their talents with the Rosehill College community.

ONE NIGHT ONLY

Rosehill College's *One Night Only* Dazzles at Hawkins Theatre

Rosehill College Performing Arts celebrated its annual showcase, One Night Only, on 24 October 2026 at Hawkins Theatre, delivering an outstanding evening of music, dance and entertainment.

Featuring 15 acts, including nine music performances and six dance performances, the event showcased the remarkable talent, creativity and dedication of Rosehill College ākonga. Musicians and dancers took to the stage with confidence and enthusiasm, presenting an amazing range of performances that captivated the audience from beginning to end.

The evening ran exceptionally smoothly, reflecting the preparation, commitment and teamwork of everyone involved. Each act contributed to a vibrant and memorable celebration of the performing arts, highlighting the students' developing skills and their passion for entertaining live audiences.

The performers received tremendous appreciation and accolades from an enthusiastic audience, making One Night Only a resounding success.

Congratulations to all the musicians, dancers and everyone who contributed to making this annual event such a fantastic showcase of Rosehill College's performing arts talent. It was truly a night to remember!

Borislav Hawkins

SCIENCE

MRS A DUCKETT

It has been another busy year of engaging our ākonga in the scientific world around them.

This year, we were grateful to receive funding for a fume cupboard, which has enabled us to carry out potentially hazardous practicals safely and has greatly enhanced our Level 2 and Level 3 Chemistry courses.

The Level 3 Biology students completed their annual trip to Auckland Zoo. This was an opportunity to consolidate their learning for the Human Evolution paper in the external exams at the end of the year. The workshop was a great hands-on experience, allowing students to examine skeletons, skulls and tools. It was a great day out of the classroom to view Biology in action!

We had nine of our ākonga participate in the NZ Physics and Maths Competition, with Shubhkeerat Kaur Brar gaining first equal in the Year 9–11 category in Round 1.

Our senior Computer Science ākonga developed websites, digital media and games for real-world clients. Meanwhile, Year 10 ākonga explored multiple areas, including programming, video editing, web development and 3D modelling.

The school's Pūhoro STEMM Academy continued to engage our Māori ākonga in Years 11-13 through weekly kaihautū sessions and wānanga during Terms 1 and 2.

SOCIAL STUDIES - JUNIORS

CASE STUDIES: Ihumatao and Bastion Point

NITYA ROSHIN ADO10

IHUMATAO

The protests of Ihumatao were one of the most significant after effects of the Treaty of Waitangi (Te Tiriti o Waitangi). In the 14th century, the indigenous Māori people settled on the coastline of Mangere and Ihumatao, hence making it one of the most ancient settlements in New Zealand history, as well as concrete evidence of early Māori livelihoods. However, when the New Zealand Wars occurred in July 1863 Governor George Grey issued a proclamation demanding that Māori living in South Auckland must hastily take their leave if they cannot swear allegiance to a foreign flag. The indigenous hapū and iwi, of course, were hesitant on swearing an oath to a country that is not their own, and were therefore removed from their plots. Because of their refusal to give up autonomy, the Crown officially confiscated the land under the New Zealand Settlements Act of 1863.

Following this immense climax of the land wars, the Crown granted the land to the Wallace family - an aristocratic familial clan of sorts - who used the land to farm for 150 years. Skipping forward to the 21st century, in 2012 the Auckland Council attempted to turn the land into a public open area. However, the Auckland Environment Court, who oversees public zoning of spaces open to the wider public, directed the project elsewhere, opening the door for residential and commercial developments upon the ancient settlement. According to the Otago Daily Times, in July of 2014, the government and city council designated 32 hectares of the land as a special housing area (SHA 62) to fast track housing.

In 2015, Pania Newton, alongside her cousins, formed SOUL (Save Our Unique Landscape) to protest the zoning and protect the land. The following year, SOUL began a permanent occupation of the land, living in tents and caravans. In April of 2019, SOUL took their fight to the United Nations, which subsequently issued a report noting that consultation and consent from the iwi was inadequate. On 23 July 2019, an eviction notice was served on SOUL, seizing their occupation of the land. This urged public outrage and support for SOUL, with thousands of people standing with them. Finally, in 2020, the government halted all development and the land returned to the iwi through a standard treaty settlement process.

BASTION POINT

In 1840, high chief of Ngāti Whātua Apihai Te Kawau invited Governor William Hobson to establish the capital of New Zealand at Auckland, gifting 3,000 acres of land to foster a symbiotic relationship with the Crown. In 1869, the Native Land Court split the remaining 700 acre Ōrakei block among several individual owners. This destroyed collective tribal ownership and made the land easy prey for state acquisitions. From 1885 to 1896, fearing a Russian naval invasion, the Crown used the Public Works Act to forcibly seize 13 acres at Bastion Point for military defense forts. From 1908 to 1914, the city forced a massive public sewage pipe directly through Okahu Bay, flooding Māori villages with pollution, and destroying their primary food source, kaimoana (seafood). In 1941, the military defense threat ended, however instead of returning the land to Ngati Whātua as promised, the Crown gifted the land to city council for public parks. Following this deception, from 1951-52, the Crown forcibly evicted the remaining families from Okahu Bay, burning their marae and homes to clear the area for a public park ahead of a royal visit from Queen Elizabeth II. In 1976, the Muldoon National Government announced plans to subdivide the last remaining open land at Bastion Point for a private housing development.

On the whole, these two prominent cases raise awareness of how New Zealand's founding document is often manipulated and corrupted for the benefits of the Crown and all those who swear allegiance to a foreign flag. On common ground, both events are breaches of Article 2, which speaks on the land ownership and autonomy of iwi and hapū. A key example was how peaceful iwi were when evicted in 1863, during the events of Ihumatao, and their refusal to swear an oath to another country, and subsequently having their land confiscated under the NZ Settlements Act, directly violating the Treaty as the land was not lost via a fair or willing sale.

Despite the negative events following the Treaty, the founding document is still celebrated on the 6 of February annually.

TECHNOLOGY

MS TURKETO - FABRICS

2026 was an exciting year of creativity, skill and student success in Fabric Technology. Across Years 9–13, our ākonga have developed confidence using specialised equipment and machinery while learning to design, test, trial, refine and construct personalised fabric creations.

Year 9 students explored appliqué and patchwork through bag projects, while Year 10 students developed sewing techniques to create culturally inspired drawstring bags. They also extended their garment construction skills by choosing either reversible sports shorts in Rosehill College colours or a summer beach wrap skirt. Year 11 students brought streetwear ideas to life by designing personalised logos for their winter designer hoodies.

Our senior students pushed their creative and technical skills further. Year 12 students designed semi-formal jackets for an end user to wear to a special occasion, while Year 13 students designed fit-for-purpose winter jackets tailored to their end users' needs.

A major highlight was seeing Celeste Thomson and Cypress Leslie selected by four industry judges from top entries across New Zealand to showcase their designs at the prestigious Walk the Line Young Designer Fashion Awards at New Zealand Fashion Week. Celeste won the Enchanted Earth Sustainable Fashion Category, following Riti Chand's Culture Category win in 2025.

These achievements reflect the creativity, determination and mana our students bring to Fabric Technology.

Ka mau te wehi!

MS McCOWN - FOOD & HOSPITALITY

We are thrilled to report that everyone finished the year with the exact same number of fingers they started with, thanks to intense training in safety and hygiene—and with just a few more grey hairs for their teachers! Senior and junior students alike turned the school kitchens into a hive of activity, ranging from emerging to mastering essential cooking techniques such as grilling, roasting, baking and frying.

Our Year 13 Hospitality students attended MIT for their assessment on meat and pasta dishes, and the lecturers were blown away by their skills, techniques and time efficiency.

In our Food Technology classes, students were challenged to use the design process to create and test innovative food products. This involved making their own chocolates and dairy-free protein bars.

We are proud of all your children's efforts this year and hope they are practising their newfound skills and techniques at home and helping out in the kitchen. This is a fantastic way to reinforce what they have learnt and earn some brownie points at the same time!

MR SINGH - HARD MATERIALS

The Hard Materials Department has had another successful year of practical learning, with students developing valuable skills through hands-on projects across Woodwork, Engineering and Automotive Technology.

Students have taken on a wide range of challenging projects. Year 13 Trade Skills students designed and built outdoor furniture, while Year 12 students produced saw stools and Cape Cod chairs. Year 11 students developed accuracy and craftsmanship through the construction of multi-material toolboxes. Our junior students built Waka Huia (keepsake boxes) and wooden stools, developing foundational woodworking skills and taking pride in their finished products.

In Engineering Technology, students designed and built miniature compressed-air engines and Handy Trolleys, developing their problem-solving and engineering skills. Students also gained practical experience using lathes, milling machines, drills, welding equipment and fabrication tools.

Our Automotive students explored engine assembly and automotive engineering, including the construction of go-karts.

Across all areas, students have developed technical skills, determination, confidence and problem-solving abilities. These practical experiences provide valuable pathways into further study, engineering, automotive and building trades, while preparing students with skills that can be applied beyond the classroom.

MISS YAMINI - DVC

This year, our Spatial and Product Design students have been exploring their creativity through a variety of design projects. Through this course, students are introduced to the design process and learn how to apply it when designing both spaces and products. Some of the spaces they are designing include bedrooms, gaming rooms, shelters, Airbnbs and tiny houses, while their product designs include Bluetooth speakers, chairs, lamps, wearable technology, light installations and fragrance bottles.

Students are also building a strong foundation in design through hands-on projects, where they physically create their product or spatial designs to envision what they would look like in real life.

At the start of the year, our senior students were also given the exciting opportunity to attend the Design Week conference, which provided them with valuable insight into the wider design industry. They had the chance to listen to inspiring designers and speak with representatives from various universities. This experience allowed students to connect their classroom learning to the design industry and gain a better understanding of the opportunities available to them beyond school.

MRS SEEMA SHANKAR

Seema joined Rosehill College in 2020 as a Soft Materials teacher. In her time with us, she made a meaningful and lasting impact on many of our students. Seema was a dedicated and passionate educator who cared deeply about her teaching and the young people she worked with every day. Her commitment to her profession, and to ensuring her students felt supported and capable, was evident in all that she did.

Beyond the classroom, Seema brought warmth, kindness, and quiet strength to our school community.

She will be remembered for her generosity of spirit, her professionalism, and the genuine connections she built with both students and staff.

TECHNOLOGY

TOURISM

ADI TUNABUNA

Tourism has been one of the most enjoyable and interesting subjects I have taken in Year 13. It is not just about learning from a book—we get to experience the tourism industry, hear from people working in it, and understand the many opportunities available to us after school.

One of the highlights of our year was our field trip to Wētā Workshop. It was an amazing experience that allowed us to see behind the scenes and learn how creativity, storytelling and tourism come together.

We have also had the opportunity to listen to several guest speakers from different tourism schools and training providers. They shared information about the courses they offer, the skills we can develop, and the different career pathways available in the tourism industry. These sessions were especially useful because they helped us think about what we might want to do after Year 13.

Looking back, I am grateful for the experiences, knowledge and opportunities we have had this year. Tourism has definitely been an amazing journey, and it has opened our eyes to the many exciting possibilities that await us beyond school.

YEAR 10 CAMP: MR SYMAN

Another successful year of camps with some awesome Year 10s and great leadership from our Year 12 PEO students. While the weather may have been mixed at times, it certainly didn't stop the fun! Year 10 camp is all about getting to know your classmates in a different setting while challenging yourself along the way. Pretty much everyone left Waharau Outdoor Education Centre with greater confidence, having had fun and learned some new skills.

With activities ranging from being up in the air on the high ropes, aiming for success in archery, having fun on the water while kayaking, and working together during the team challenge, there was something for everyone to enjoy.

Based on the fun everyone had this year, we encourage next year's Year 10s to get involved and sign up for camp early!

11 PEO: CATHERINE VEA

My Year 11 Outdoor Education journey has been such an eye-opening experience throughout high school. Not only has this class allowed me to learn more about myself and what I am capable of achieving, but it has also offered endless opportunities to push myself outside of my comfort zone, test my boundaries and form long-lasting friendships with others.

One of my favourite experiences was scuba diving at Goat Island. Having the opportunity to immerse myself in the underwater world and explore the incredible marine life was something I will remember forever. It challenged me beyond my limits while also teaching us the importance of preserving our ocean. A big thanks to our awesome scuba instructors, Dylan and Jennifer! I learnt more about various sea creatures and how they are protected, allowing me to develop a deeper appreciation for Aotearoa's natural environment.

Another memorable experience was our tramp in the Pinnacles in the Coromandel. We had to adapt to carrying heavy tramping packs – which left my calves hurting for days! Seeing the incredible sunset views after reaching the summit made all the effort worthwhile. My best memories include playing games with my classmates and preparing our meals using gas stoves, filling the hut with absolute laughter.

Outdoor education has been an exceptional way to develop both physically and mentally. It has challenged me, strengthened my confidence and was the perfect beginning to my Outdoor Education journey at Rosehill College.

12 PEO: MR SYMAN

A year of adventure and learning for our Year 12 PEO classes, with a lot of success along the way.

The year started with Year 10 camps. Students learned how to be leaders and then put this into practice by running their groups through the activities. This challenged them, but they made sure their Year 10s had an awesome time and stepped up to the pressure of being a leader.

We continued our learning by planning an overnight kayaking trip to Pouni Island, where the students were responsible for organising large parts of their trip.

We got lucky with the weather and had two days of great paddling. The MasterChef competition for which group made the best dinner was hotly contested.

The Kaimai tramp was next, and this presented us with a few hiccups. With a road being closed, our only option was to make our first day's walk much longer. It was fantastic to see the students rolling with the changes, using their prior experience to make good decisions and fully enjoying the tramp.

Looking forward to seeing what adventures this group gets up to in the future!

13 PEO: ARPIT BEHAL *and* KIERAN SAYERS

Outdoor Education in 2026 has been the adventure of a lifetime, and it is difficult to express and share how much we have learnt from this year, because truly, every moment gave us an opportunity to learn and grow as people.

In May, we spent a week in Coromandel, where we surf kayaked some huge waves, orienteered through Port Charles, and navigated the rocky shoreline by coasteering. Yet, nothing compared to the three-day sea kayaking expedition, kayaking over 30 kilometres, and island-hopping our way to different campsites and the best crystal-clear snorkelling spot.

Our Tongariro trip made some of the most action packed and unforgettable adventures of our time in 13PEO. Trekking between snow-covered mountains and striking blue alpine lakes, to wriggling through winding caves, abseiling down a slippery cliff face and sliding down snowy slopes have become some of the greatest experiences for this year's 13PEO students. To finish our PEO journey with new passions and stronger connections while being surrounded by friends and memories of a lifetime feels perfect yet incredibly bittersweet.

The nights that we stargazed from the snow-filled valleys under Ngauruhoe, the times we backflipped off of towering rocks in Port Charles, the lunches we shared at the alpine Tama Lakes, or the hours we spent caving through the glowworm-lit Okupata cave will be the memories we think back on for the rest of our lives.

On behalf of our 13 Outdoor Education class, we would like to thank Mr Rennell for facilitating these experiences, for his wisdom and advice, and leaving all of us with the best memories and a lifelong love for the outdoors.

Hamish Fraser, Saua Leaupepetele, Teina Stephens

SAUA LEAUPEPETELE SPORTS DIRECTOR

2026 has been another massive year for sport at Rosehill College, not just on the court and field but right across our whole sporting community. Participation has jumped significantly, with more teams representing the school and new codes like table tennis, wrestling and boxing, all about making sure there's something here for everyone.

The results speak for themselves. Our Girls Premier First XI Football team took out their Auckland competition, and our Girls Hockey team went the entire season undefeated to win the Auckland competition and the Mary Clinton Cup. Our Premier Boys Basketball team brought home the Auckland title, and our Boys First XI Football team built real momentum alongside our two Junior teams. This builds on 2025, when our Girls Sevens won the Counties comp undefeated and both our second girls team and Boys Sevens won their grades.

But the biggest highlight for me is hearing how people outside our school are talking about us. They're looking at Rosehill and asking what we're doing right.

A huge part of that is the team behind the scenes. I get to work alongside Hamish Fraser and Teina Stephens, who work relentlessly to deliver a safe, fun and top-quality programme. We wish Natalia Rankin-Chitar all the best as she heads to Texas University for athletics, and Teina has stepped up full-time. Thanks also to Daz and Year 9 student Taiga Kitamura for telling our stories so well through their photos.

Three years ago, post-COVID, the challenge was getting kids off their devices, back from club sport and committed to wearing the Rosehill jersey. The key has been our coaches, managers and volunteers. We're deliberate about who we put in front of our students, and to every volunteer who gave up their time this year, thank you. Thank you also to our Principal, Davida, the Board of Trustees and the staff who go above and beyond after school hours.

In December, for the first time in Rosehill history, our Girls Sevens and Boys First XV Rugby teams head to Thailand for the Global Schools Challenge. That follows our Girls Premier Netball team's second place at the World's Festival Challenge in Abu Dhabi in December 2025. Huge gratitude to the sponsors and families whose fundraising made it happen.

I always say I have the coolest job in the school because of the people I get to work with. Next year we'll keep pushing the boundaries, holding our students to high standards, and backing our families every step of the way.

WINTER TOURNAMENT

SAUA LEAUPEPETELE

Winter Tournament Week 2026 was officially the biggest Rosehill College has put together in the last 3 to 4 years. We sent 10 teams up and down the country, showcasing the talent, drive and heart across our sporting codes.

Our First XV Girls pushed all the way to the Provincial Union Cup final, finishing second in their grade, while our First XV Boys gained massive value at this level. In Wellington, our Badminton team competed at the Nationals. Our young Girls Premier Football side finished 4th at the Kathy Seaward Tournament, and our First XI Girls Hockey team went through the Mary Clinton Cup undefeated to take the title. Our First XI Boys Hockey team represented us with pride at the Olympic Sticks Cup, and William Foster took gold in the 70kg category for our eight lifters. Our Premier Boys Football team returned to tournament week at the Rex Dawkins tournament, our Basketball boys put on a solid showing at the AA Premiership Zone 1, and our young Premier Netball side came home from Hamilton with experience that will pay off next season.

A year ago, these students said, “We want to go to tournament week.” They owned the process, through the early mornings, logistics and fundraising mahi, and seeing it pay off was awesome.

But the real test is seeing them get back up the next day. After a relentless week, win or lose, they kept showing up for their teammates and representing our school with pride. When the pressure comes, we don’t back away, we lean into it.

A massive thank you to our coaches, managers, volunteers, drivers, chefs, physios and sponsors. You wore so many different hats to create those picture-tells-a-thousand-words moments.

I forecast next year will be even bigger. As long as that fire is there, we’ll keep creating the opportunities for them to thrive.

HOCKEY GIRLS 1ST XI

BACK ROW: Katherine Thompson (Coach), Lyra Purcell, Kodi Donaldson, Olivia McDonald, Emma Thompson, Darcy Wallace

FRONT ROW: Jazz Nelson-Hutchins, Capri Cutfield, Amelia Duncan, Jaycie Dehar, Taylah Moldenhauer

ABSENT: Anna Semerad

KATHERINE THOMPSON
(COACH)

Wow what a season! The girls hockey team started out struggling for numbers but with encouragement from friends we had a few new to hockey players join us. We also had some players join with us from Saint Ignatius.

We had some great games through the season and managed to remain undefeated! This meant we topped our grade and won our finals beating Strathallan in an exciting final with penalty shootouts.

We then went on to win the Mary Clinton Cup during tournament week. This as a tough week with 6 games in 5 days. The girls put their heart and soul in to the tournament and came away with the big win! I’m so proud of the entire team for the way that they have played and improved over the season.

I will be now be retiring from my role as coach and I personally wish to thank all those who have supported me throughout my time with Rosehill College. I have been involved with hockey with the school for 7 years and have coached for 5. I wish the hockey players all the best for their future both on and off the turf.

Jhorey Mallari

BASKETBALL

LOY MARTINEZ (PREMIER BOYS COACH)

The Rosehill Premier Boys had an outstanding season in the Counties Competition at Bruce Pulman, where the team went undefeated to claim the title of Counties Manukau Champions.

By finishing in the top two, the team secured a spot in the Greater Auckland Basketball Tournament (GABT). On the eve of the qualifying day, a key player came down sick and was barely able to take the court. The games were incredibly tight, with little separating the teams, and the outcome came down to a single point between progressing further and facing a potential relegation match.

After the disappointment of the GABT tournament, the team was determined to finish the year strongly at the highly competitive Zone 1 AA Tournament, which brought together 28 Premier and Senior A teams from across the region. The players responded with resilience, teamwork, and determination throughout the tournament.

From 22nd place in 2025, Rosehill achieved an outstanding 9th-place finish overall this year, narrowly missing out on one of the top seven national qualifying spots. The team recorded an impressive six wins and two losses across four days of competition.

We wish our Year 13 players all the best and thank them for their commitment, leadership, and efforts over the years. Their contribution has helped build a strong foundation for future Rosehill basketball teams.

BASKETBALL PREMIER BOYS

BACK ROW:

ABSENT: Connor Marr, Jack Marr, Michael McGarry, Martin Osorio-Dunnage

MOE KAFIL

An excellent season with a talented group of players. We welcomed new coach Mr Alex Veljkovic.

The boys started strongly, beating rival Pukekohe High School 2-1.

Throughout the season there were close games against Al-Madinah and ACG Strathallan, with the boys beating both teams in the second round.

A huge thank you to all our Year 13 leavers for your service. We look forward to seeing how our talented young players go next season.

The boys performed at a high level in the West Auckland Rex Dawkins Tournament and were on track for a high finish before sickness struck later in the week.

The result against A1 team Rosmini College was a highlight. While the boys showed plenty of fight against group leaders Rangitoto College, they didn't have enough fit bodies available. Final placing: 16th out of 24 teams.

FOOTBALL JUNIOR BOYS A

BACK ROW:
Max Gosney, Aryan Ambedkar, Hayden Senior

2ND ROW:
Paul Cullum (Coach), Gabriel Akulue, Yuvraj Singh, Donald Chibaya

FRONT ROW:
Dylan Chikutuva, Hukamveer Singh, Taiga Kitamura, Dorlan Lasprilla Alvarez, Elisha Mauwa

ABSENT:

FOOTBALL GIRLS 1ST XI

BACK ROW:
Kokono Kinjo, Saaliha Aziz, Aria Windleborn, Eva Prince, Mia Dixon

2ND ROW:
Angel Blanchard, Livia Pepper, Jorja Postill, Rania Dhillon, Zoe Bouda, Miss Webster (Manager)

FRONT ROW:
Mr Rennell (Coach/Manager) Chiara Rodriguez-MacKay, Isabella Geraghty, Jayda Scanlan, Chloe Sorrill, Charlotte Mowbray

MR RENNELL *and* MISS WEBSTER

Building on last year's efforts was always going to be hard and, with a number of Year 9 students joining the team this year, we had a side built heavily around junior players. Each of these junior girls stepped up and represented the school with immense pride, commitment, and skill throughout the season.

Our regular season was a real success, with the girls keeping a clean sheet throughout and not losing a single game, which left them Counties Manukau champions once again. Tournament week saw amazing performances throughout, with the team showing resilience, determination, and teamwork on every occasion. All the best to our Year 13 girls, Eva, Jayda, Angel and Saaliha. You have left the girls in a strong place for the future and set a wonderful example for those following in your footsteps.

FOOTBALL JUNIOR BOYS B

BACK ROW:
Mr Kumar (Coach), Ryan Sharma, Khan Hemopo-Ramsamy, Sutej Waraich, Jaison Pratap

FRONT ROW:
Kartik Raj, Sehaj Sidhu, Harry Purdy, Hartaj Singh, Mason Frame

ABSENT:
Xander Chipman, Escalade Deane, Kaleb King, Nayan Kumar, Amir Nazari, Arnav Singh, Harkirat Singh, Punjab Singh

ROSEHILL COLLEGE

HOCKEY BOYS 1ST XI

BACK ROW: Liam Muir, Ashton Lilley, Caleb Needham, Jack Hamilton, Aiden Sadler-Iles
2ND ROW: Daniel Schofield (Coach), Tayte Donaldson, Ryan Stutter, Xander Chipman
FRONT ROW: Oliver Auret, Christiaan Van Den Berg, Wyatt Hooper, Devon Schofield, Alex Muir

DANIEL SCHOFIELD (COACH)

What a season it has been for this group! The boys finished 5th in the regular season and unfortunately went down in their final, but there is so much more to celebrate than the result.

This season we welcomed 4 players who were completely new to hockey - and what a season they had! They jumped in, learned quickly, backed themselves and became a huge part of the team.

Then came tournament… and that's where things got interesting! 3 players became unavailable for various reasons, meaning we headed into tournament with just 13 players. After the first game, things got even tougher when one of our players was taken out with a suspected broken arm, dropping us down to just 12 players - leaving us with only one substitute for the next few days. To say the boys had an uphill battle would be an understatement! And it didn't get any easier. Two of the teams in our pool went on to finish in the top 5, making it an incredibly tough pool.

But the boys dug deep. Despite the numbers, the tough opposition and the long tournament days, they managed to finish 3rd in our pool, earning themselves a crossover game. Unfortunately, it wasn't to be. After battling hard all game, we conceded a goal with just 90 seconds remaining, going down 1-0. But they didn't let that disappointment define them.

They bounced back, won their final game and finished 11th overall. The final placing doesn't tell the full story. What does tell the story is the fight, determination, teamwork and commitment this group showed - especially when the odds were stacked against them. From four players picking up a hockey stick for the first time this season, to battling through tournament with just 12 players and one sub, these boys should be incredibly proud of what they achieved. Boys - well done on a great season! Well done lads. You did yourselves, your families and the school proud!

NETBALL - ABU DHABI 2025

TEINA STEPHENS

In December 2025, our Rosehill College Premier Netball team embarked on the long-awaited 17-hour journey to Abu Dhabi to represent Rosehill College and New Zealand at the World Schools Festival Tournament.

For some of our girls, this was their first time leaving New Zealand, making the experience even more special. From navigating an international airport to experiencing new cultures and meeting athletes from around the world, the trip was filled with unforgettable memories and new friendships.

Our first day began with a visit to Ferrari World, which quickly became a highlight of the trip. The following morning, the girls hit the court for their first training session, getting used to the heat and conditions before heading to the opening ceremony that evening. Representing New Zealand, our girls proudly performed the waiata Tōku Reo, Tōku Ohooho, celebrating the uniqueness of our reo and sharing a special part of our culture with teams from around the world.

The next few days were all about netball, recovery and enjoying the experience. The girls won 8 of their 10 grading games, securing a place in the top grade. From there, they went on to win every game and earn a spot in the international final. Although they fell short against WP Academy from South Africa, finishing second overall in the world was an incredible achievement and one the girls should be extremely proud of.

One of the most memorable moments came on the bus ride home from the opening ceremony, where our girls joined the Zimbabwe netball team in singing, dancing and celebrating together. It was moments like these that made the trip so special, memories and friendships that will stay with our girls for a lifetime.

PLAYERS

HOLLIE IRELAND

"Being given the opportunity to go to Abu Dhabi to represent not only our school but our country was such an amazing experience. Seeing a beautiful culture, playing the sport we love with our team was an unforgettable memory that we'll cherish forever. My favourite memory was being on the bus with the Zimbabwe Netball team singing, teaching them Maori songs and sharing our culture with each other."

TANIA ANDERSON

"Playing netball in another country was one of the biggest achievements you could achieve in school sports. It was an experience I will never forget. My favourite moment was the atmosphere of the whole tournament and meeting other athletes from different countries".

NETBALL PREMIER

FRONT ROW: Mya Vincent, Xcellent Painter-Tamehan, Hollie Ireland, Tania Anderson, Sienna Dufty, Ayva Nabong

TEINA STEPHENS

What a season it has been for our Rosehill College Premier Netball girls! This year we had a young and fresh Premier squad who showed up, worked hard and continued to grow throughout the season.

From countless early-morning trainings to after-school sessions, the girls put in the mahi and committed themselves to becoming better players and a stronger team. While the hard work on court was a huge part of our season, one of the biggest highlights was the tight bonds and connections built within the team. Watching the girls grow in confidence, support one another and genuinely enjoy playing together made this season so special.

With such a young squad, there is so much potential within this group, and I am incredibly excited to see where the next few years take us. As a coach, I am looking forward to continuing to build with this team, developing our girls both on and off the court, and creating many more memories together.

SAUA LEAUPEPETELE (HEAD COACH)

The 2026 season for the 1st XV was once again a rebuild. We lost key players at the tail end of last year, and the depth challenges were clear from the start. The work began early with a tough offseason from November through to January, then a demanding preseason of four hard-fought games before the Counties Manukau competition.

It was a season of resilience. We dealt with team defaults, a lack of consistent game time, and a run of injuries and concussions. With many fresh, inexperienced players alongside our seasoned campaigners, getting everyone on the same page as the core group who have been in the system for two to three years was a big job. Despite the headwinds, the boys finished 4th in the Counties Manukau competition and 3rd in the PU Cup. In December, they head to Thailand for the Global Schools Challenge, an incredible chance to test ourselves on the international stage.

A huge thank you to Terence Matai'a, Shane Baker, Paul Fail and our S&C coach Josiah Lander for their outstanding service over the last three to four years. Together they've built a First XV programme from the ground up where there was none before. To Hamish Fraser and Teina Stephens, thank you for the work behind the scenes that keeps the wheels turning.

We couldn't run without our sponsors: The Tooth Group Dentistry, Goodben Pools, Drury McDonald's, Papakura Auto Electrical, Paerata Rise, Brougham Buses, Top Development and ENZED. Thank you. And to our Principal, Davida Suasua, the Board and our parents, thank you for backing these boys through the good days, the bad days and everything in between.

What stood out most was the grit and heart of our young men. No matter how tough the battle got, they fronted up, backed each other and represented our school with integrity. That's something to be proud of, and it lays a strong foundation for Rosehill rugby.

REP HONOURS:

Preston Baker (Counties U18's)
Mythias Figota (Counties U18's)
Mathew Isaia (Counties U18's)
Selulo Amataga Taifaga (Counties U16's)
Bethel Nuusolia (Counties U16's)
Dallas Williams (Counties U16's)

LEXI JOHNSON (CAPTAIN)

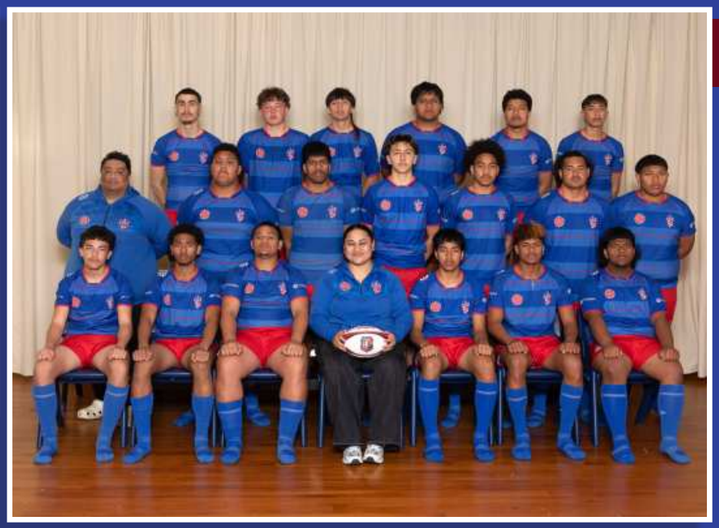

What is now just memories, was once some of the best days of my year. Looking back on this season, I couldn't be more grateful to be part of such an amazing group of girls. Although we just missed out on the semi-finals, making the finals of both PU Cup and Chiefs Cup was unreal. We had our good days, we had our bad days, and plenty of moments in between, but that's what made the season so good.

A huge thank you to all our supporters who supported us throughout our journey, as well as a huge thank you to our sponsors; The Tooth Group Dentistry, Good Ben Pools, Drury McDonald's, Papakura Auto Electrical, Paerata Rise, Brougham buses, Top development and ENZED.'

The friendships made, the memories created, and the moments I'll never forget, are what I'll treasure forever. Im genuinely going to miss this team and everything that came with it. What a team and what a run. "It was never just about the game".

GALA DAY

THANK YOU CATHERINE VEA

for your dedication and the countless hours of behind-the-scenes work that helped make our 2026 Gala Day a success.

AIDEN SADLER-ILES

On October 17th, the Community Gala came to life for its third year. Our field was filled with stalls, games and activities, while performers took to the stage, showcasing their passion and bringing the mana. Seeing the community come together was a reminder of the strength of our community and the importance of being there for one another.

The Gala was bigger than ever this year, featuring a wide range of local food trucks serving cuisine from all over the world. Student-run stalls offered all kinds of goods, from homemade kai to 3D-printed creations. The day was also filled with live performances from musicians, cultural groups and dancers, bringing energy and entertainment to the festivities.

The Gala was a huge success, but it certainly wouldn't have been possible without the support of our sponsors, volunteers and support staff, and especially our 2026 Student Board Representative, Catherine Vea. Her ongoing mahi and dedication helped the Gala reach its full potential.

Although the preceding week had been stressful for many of our volunteers and support staff, particularly with the unpredictable weather, seeing the field fill with rangatahi, whānau and the wider community was an enormous relief. It quickly became clear that the months of planning and hard work had been worthwhile, and that our mahi was contributing to something much greater.

The 2026 Community Gala was certainly one to remember. Here's to celebrating our community and creating many more memories in the years to come!

ATAWHAI

YEARBOOK 2026

MRS LEE-MATAIA | MRS THACKHAM (KAITIAKI)

EVA PRINCE *and* IORI LEMUELU-VILIAMU

TIGER ROAR!!

WOW... what a year it has been for the House of Mighty!

We dominated the leaderboard in the first two terms and smashed the reading competition. From junior to senior leaders, we brought massive mana and tiger spirit to everything we did.

Mega-events like Mural, Arts Week, Green Week, Music Video, and especially the Haka were massive highlights. Even when we didn't win, we showed everyone what we're made of, unleashing the spirit of Atawhai! Our mission was simple: drop kindness, show up with power, and make an impact.

None of this would be possible without our rocks, Whaea Rochelle and Mrs Thackham, who backed us 100% and kept us grounded.

Leadership wasn't always a walk in the park. We faced heavy lows and moments where we questioned if we could handle the pressure. But we learned a major lesson: you don't need all the answers to be a great leader.
Our favorite highlight? Seeing our students step up, get involved, and truly embrace what it means to be a Tiger!

YEARBOOK 2026

MR GOOD (KAITIAKI)

GINO DRUMMOND *and* CHLOE SORRILL
Kahurangi GOATS

BACK ROW: Kieran Sayers, Mr J Good
FRONT ROW: Kohu Afeaki-Repia, Gino Drummond, Chloe Sorrill

Kahurangi had a solid year this year. We fought hard, took pride and grabbed crucial House points. We took 3rd place in the Swim Carnival, which was a respectable start to our year. As the year progressed, we stepped up, worked hard and the results came in.

Thank you to our Year 9s and 10s who got 1st place in the Haka Competition. I also want to thank everyone who participated in Arts Week and the Music Video.

Thank you to our senior leaders, Kieran, Gino, Kohu and Chloe, who led Kahurangi this year, along with our junior leaders, Sahib, William, Livia and Aliyah, who rounded out our leadership team. We're truly grateful to represent Kahurangi as leaders.

Thank you to our Head of House, Mr Good, for supporting us. Overall, it's been a good year. We saw Kahurangi students grow together, individually and as a whole.

Thank you all, and remember to pursue the precious things in life!

Kahurangi Leadership Team 2026, signing out.

MANUTAKI

YEARBOOK 2026

MRS KOKOHU (KAITIAKI)

CALEB NEEDHAM

Throughout 2026, Manutaki has been on a journey of growth and achievement, which is a reflection of the hard work and dedication of our leaders and students. This year, we won the STEM competition during Academic Week, performed exceptionally at the Swim Carnival and produced an awesome music video that showcased our creativity and teamwork.

These successes show that we can do anything we put our minds to, even if there are challenges along the way. They also show how we grow by working together and supporting each other, which I hope will continue into 2027 and beyond.

BACK ROW: Jacob Shadbolt, Mrs Kokohu
FRONT ROW: Jasmeet Kaur, Takayuki Kobayashi, Nicole Cho

As house leaders, we are extremely proud of what our students have achieved, and our house spirit definitely grew throughout this year. We would like to thank everyone who helped make it happen, including Mrs Kokohu, all our Manaakitia Mai and subject teachers, and everyone involved in planning these events. Your support and encouragement have helped make this year so memorable.

Finally, a big thank you to Manutaki for an amazing year, and remember, Anō he Manutaki!

ROSEHILL COLLEGE

POUNAMU

MR PEMA (KAITIAKI)

This year has been one to be proud of for Pounamu. We celebrated success in many forms throughout the year, whether through academic success, attendance and effort, or by coming together as performers, artists, athletes, critical thinkers and readers. These efforts may seem small, but together we are strong.

From the very beginning, our House has shown incredible spirit, determination and teamwork. We came together for the Swim Carnival and worked hard to secure 1st place, proving what we can achieve when we work as one.

Our creativity also stood out this year, with an outstanding Haka, 3rd place in the Music Video Competition and 2nd place in Pavement Art. One of our biggest highlights was creating our incredible Pounamu mural, which will be put up in Gym 1 as a lasting reminder of the year we shared. We are so proud of everyone who has gone out of their comfort zone and helped lead our House to these incredible accomplishments.

A huge thank you also goes to our Junior House Leaders, who have worked alongside us throughout the year and played an important part in making Pounamu the House it is today: Arnash Chandra, Pranavi Sharma, Camryn Glover-Johnston and Zoe Bouda.

This year has truly shown the Pounamu spirit — united, creative, determined and proud. House spirit is strong at RHC, and Pounamu would like to acknowledge all of the other Houses for their efforts in 2026.

RANGATAHI

MRS SORENSEN (KAITIAKI) TERM 1 to AUGUST
MRS T TAMIHERE
AUGUST to TERM 4

BACK ROW: Amelia Duncan, Miss J Sorensen
FRONT ROW: Aleisha Stewart, Ethan Fletcher, JJ Ybanez

2026 has been an amazing year for Rangatahi House across all areas of school life. Our Sports Committee helped plan and run the inaugural Swim Carnival, where 60 of our students participated in races and games, with many competitors earning House points.

We helped run the first RHC Community Fun Run alongside the Community Committee. Lots of Rangatahi students and whānau came along and enjoyed a great day filled with House spirit.

Our Community Committee helped organise the 40 Hour Challenge, Pink Shirt Day and Daffodil Day, with our students putting in heaps of effort to support these causes.

Our Events Committee introduced junior movie nights, a huge success that helped raise money for the school. Our Arts Committee also had an outstanding year, with Rangatahi taking 2nd place in the Music Video Competition and winning the Chalk Art Competition, helping us secure the House Shield!

Overall, Rangatahi has had a superb year. Well done to everyone who stepped up and participated.

Rangatahi, you guys have made 2026 a special one.

TAIKURA

YEAROOK 2026

MRS LEITH-BRINGANS (KAITIAKI) TERM 1
MR FLYNN
TERM 2-TERM 4

BACK ROW: William Dumper, Chris Yu
FRONT ROW: Elisha Dollaga, Mr M Flynn, Ash Anderson
ABSENT: Mrs Leith-Bringans

2026 has been an amazing year for your Taikura senior House Leaders. Ash, Elisha, William and Chris, with our high school experience coming to an end. For our junior leaders, Kayla, Ayaz, Danae and Emery, their journeys are just beginning.

Taikura has taken part in a number of different events around the school, including Swim Carnival, Arts Week, Academic Week, the School Ball, the 40 Hour Challenge and many, many more. The turnout and participation from our Taikura students this year was outstanding, and we encourage you all to continue for years to come.

Our biggest win was the Arts Committee Music Video, led by Chris and other Taikura students. Taikura won FIRST PLACE for the Music Video, which gave our House enough points to finally bring the House Shield home.

To sum up, being a Taikura House Leader in 2026 has been an honour. Special mention to Mrs Leith-Bringans, who had a big impact on all of us leaders during the first two terms. We wish her all the best with her new joy, Luka, and to Mr Flynn, we thank you for stepping in and keeping us leaders on the right track.

To our senior leaders, best of luck with your new lives. Live life to the fullest wherever you may be. Lastly, our juniors, keep up the good work and don't fall asleep at every meeting like Chris.
